**IMPORTANT NOTE FOR CRUISETOURS GUESTS** – Europe, Canada and all Exotic Cruisetours are not wheelchair accessible. Therefore, we will not be able to accommodate guests that are full-time wheelchair users. If guests, who utilize a wheelchair, can climb several steps to get into the motor coaches and can maneuver in a regular hotel room (as opposed to wheelchair accessible rooms), they may be accommodated. Parts of these Cruisetours may require extended periods of walking over uneven surfaces and/or steep terrain, as well as extended periods of standing and steps. If you have questions regarding Cruisetour accessibility in relation to your specific needs, please contact our Access Department.

<sup>1</sup> Charges for distilled water may apply for Cruisetours outside the U.S.
