Guarantee

All merchants in the Alaska port shopping program offer a 60-day guarantee to cruise line guests. **This guarantee ensures buyers that all merchants participating in the Alaska port shopping program will repair or replace, or, in certain instances, provide a refund for any unsatisfactory item, excluding buyer's remorse, buyer's negligence, watches, and lost or stolen merchandise.** Some watches and other branded merchandise will be repaired or replaced by the brand's service centers. Many stores in port, including stores that do not participate in the program, offer their own guarantees.

Refunds are provided in the amount of an adequately documented claim for discrepancy in value. Adequate documentation of a refund claim based upon discrepancy in value must be evidenced by an appraisal secured from a gem laboratory or from an independent graduate gemologist not affiliated with jewelry retailing. Watches and other branded merchandise valuation comparisons submitted for refund claims must be based on retail prices offered by authorized brand retailers.

Please ask about individual store return policies before purchase. The Alaska port shopping program is offered and operated solely by Royal Media Partners LLC, which stands behind all customer relations claims relating to the guarantee.

If a problem arises during your cruise vacation, please contact the Alaska port shopping guide on your ship for assistance. If a problem arises after your cruise but within 60 days of the purchase date, please contact Royal Media Partners customer service. Email: customerservice@royalmp.com. Tel: +1.305. 370.9500.

Participating merchants have paid an advertising fee to Royal Media Partners for inclusion in this program and many merchants pay commissions based on sales to cruise line guests. Neither Royal Caribbean Cruises Ltd nor Royal Media Partners own any of the retailers participating in this program. Royal Media Partners is not owned by and is not an affiliate/subsidiary of Royal Caribbean Cruises Ltd.

In case of emergency, please contact **907.586.1282**.
