Caribbean Inspired

—Where does inspiration come from? It comes from all the possibilities you'll encounter onboard, each designed to open your eyes, capture your imagination, and broaden your horizons. It comes from being able to escape to warm sunshine and island smiles any time the spirit moves you. And it comes from being surrounded by crystal clear water in every direction, and the thoughtful design of our ships. Inspiration comes from the unexpected pleasures, like leaving footprints on a white sand beach or the fleet of world-class ships that guide you to this sanctuary. It comes from the perfectly crafted entrée that is proudly and elegantly served in one of our many onboard restaurants, where the décor rises to the level of the award-winning menu. And it envelops you in our lavish AquaSpa by Elemis where everything but the moment disappears. It's where an ordinary cruise becomes an exceptional vacation experience, and a ship becomes a destination as warm and inviting as any island on your itinerary. And most of all, it's where having nothing to worry about means everything. On a Celebrity cruise, inspired design is everywhere and in every detail. Welcome to Celebrity's Caribbean.

Caribbean

Overview Map

ESCAPE

We've redefined our commitment to the art of the Caribbean escape, and to your desire to experience the magic of these islands any time the spirit moves you. We now offer itineraries throughout the year onboard Celebrity Solstice, whose award-winning design redefines the fine art of getting away from it all, as well as itineraries on the rest of Celebrity Solstice Class. All together, eight of our ships will transport you to 38 different ports in the Caribbean, where caressing breezes, warm seas, and radiant smiles await. We'll guide you to some of your favorite islands, as well as more out-of-the-way destinations. We'll take you to white sand beaches, and to the hidden gems beyond the shoreline. Swim in a freshwater lagoon that feels closer to paradise than you could possibly imagine. Visit bird sanctuaries and botanical gardens featuring vivid displays of both flowers and feathers. Take an historical tour that looks back upon these islands' pasts, or an ecological tour that shows you what's being done to secure their futures. Regardless of what you've left behind, Celebrity's Caribbean has the ability to make it fade deep into the background.

With 55 Caribbean sailings on our three classes of large ships, Celebrity offers a wealth of choices to this magical place. Some itineraries are as brief as four nights—just long enough to provide a needed respite from your routine. Other more extended voyages last 14 nights, long enough to help you forget your routine ever existed. And while each itinerary travels to different destinations and follows different routes, they all have something in common—an onboard environment that's every bit as spectacular as the ports you'll visit and the feeling of ultimate escape that you'll treasure.

We Cover The Caribbean Like No One Else

To help you get away to the Caribbean whenever you need an escape from the everyday, Celebrity Solstice now sails here throughout the year, offering 7-night itineraries that surround you in the kind of lavish environment that only Celebrity Solstice Class can deliver. And once winter arrives, virtually every ship in our exquisite fleet will ply these shores, including Celebrity Eclipse and Celebrity Equinox, offering a nearly unlimited array of vacation possibilities ranging from 4 to 14 nights.

Celebrity Solstice Class

Celebrity Eclipse℠, Celebrity Equinox℠, & Celebrity Solstice℠

"Our cabin stewardess knew we were worn out after a wonderful day in Copenhagen and many previous amazing days on our Baltic journey. We were welcomed back to our stateroom with a dining room menu, linen and china-set table on the veranda, and full, staged dinner service on our balcony. That's luxury. That's MY Celebrity."

- Lou, Your Starring You moment — CelebrityCruises.com

Like Nothing Else

— Prepare to be amazed by Celebrity Solstice Class. To experience ships that embrace the pinnacle of inspiration, recognized for everything from technical innovation to romantic ambiance. And enjoy a feast for the senses never before experienced at sea — from a barefoot stroll through a half-acre of grass to the spectacle of molten glass transformed into art. Prepare to encounter creative vision in every direction — from spacious staterooms and suites to the ten dining venues where award-winning design shares center stage with award-winning cuisine. With three Celebrity Solstice Class ships now sailing to the Caribbean, we offer unprecedented luxury and sophistication to these islands—where you'll be dazzled, delighted, and enchanted by every last detail.

The Lawn Club

You've never encountered anything like this on a cruise ship. With a half-acre of real grass on the top deck, The Lawn Club combines the sophistication of a country club with the relaxed feel of a Sunday picnic. Enjoy light, casual outdoor activities like croquet, boules, and putting. Sip a drink from the Patio on the Lawn, watch the day's light fade from the Sunset Bar, or find a memento of your voyage in The Lawn Club Shop.

The Hot Glass Show℠

Another enthralling innovation never before seen at sea: watch as gaffers from The Corning Museum of Glass infuse their creativity into molten glass, drawing inspiration from their surroundings to create works of art. These miraculous presentations can only be experienced at sea on Celebrity Solstice Class.

Unsurpassed Dining

Feast in the fabulous two-tiered main dining room with its dazzling glass wine tower, slip into the intimacy of our four specialty restaurants*, or enjoy something completely casual yet utterly delicious. A fresh approach to dining never tasted this good.

Entertainment

Experience the cool sophistication of the Martini Bar and Crush, where vodka and caviar pairings are served on tables of crushed ice, or bathe in the warmth of Cellar Masters, inspired by the tasting rooms of Napa Valley. You can dance to the latest music in Quasar, or under the stars in the Sky Observation Lounge. Or if you just want to relax, enjoy a quiet cocktail in Ensemble Lounge, Passport Bar, or an old favorite, Michael's Club. On Celebrity Solstice Class, you're invited to entertain all the possibilities.

AquaClass℠ Staterooms

Revel in the spa life in AquaClass, found only on Celebrity Solstice Class. This new category of 130 double-occupancy staterooms offers unlimited access to the AquaSpa® relaxation room and Persian Garden, as well as a host of other soothing extras. We've even added a specialty restaurant, Blu†, where you will enjoy priority seating and complimentary dining.

Five Leading Ladies℠ and You

Our staterooms and suites reflect a commitment to luxury, smart design, and intuitive style. And for that, you have our Five Leading Ladies to thank. These discerning women — a frequent cruiser, a travel agent, a travel writer, a hotelier, and a potential cruiser — inspired us with their ideas about comfort and their own personal style.

Interlocking Staterooms

Adjoining staterooms are connected by a vestibule with two inner doors that create your own haven, allowing you the option of doubling your available living space or closing the doors for privacy. We can even remove the partition between the verandas to create expanded outdoor space. See pages 20-21 for details.

†Dining in Blu is complimentary for guests staying in AquaClass staterooms. For those guests traveling in suites, seating in Blu is offered on a space-available basis only, with a recommended gratuity of $5 per person. Children of any age who are booked in AquaClass staterooms are welcome to dine in Blu with an adult. Additionally, children who are booked in suites that are at least 12 years old will be accommodated in Blu when dining with an adult, based on availability.
*An additional charge will apply. Not available on Celebrity Mercury® or Celebrity Xpedition®.

Celebrity Solstice℠ Class

"The Lawn Club brings back that pleasure of running in the grass we had as children, and the romance of a picnic in the park. Celebrity Solstice has spoken to me. It says, 'Home.' And yes, I am an unabashed fan."
— **Amber Blecker,** *CruiseResource.com*

"First impressions? In a word, 'WOW!' The design of the ship is exquisite, with space after space that makes you gasp with surprise and amazement."
— **Gene Sloan,** *USA Today*

"Celebrity Solstice breaks the mold in every conceivable way."
— **Ralph Grizzle,** *Avidcruiser.com*

"Anyone in need of respite from market crashes and toddler tantrums will relish in the pampering of Celebrity's latest venture."
— **Nicole Feliciano,** *MomTrends.com*

"The 'WOW' factor: Some have it; others don't. And I'm not talking about fashionable celebrities here. Well, yes I am. Celebrity Cruises, that is. As a veteran of more than 50 cruises, I'm not easily dazzled. But one spin around the decks of the 122,000-ton, 2,850-passenger Celebrity Solstice had me saying 'WOW!'"
— **Harry Shattuck,** *Houston Chronicle*

The reviews are in . . .

Celebrity Solstice[SM] — the first of what will ultimately be five spectacular Solstice Class ships, representing a true triumph in inspired design — has debuted to rave reviews. Read what they're saying about the most innovative ships to ever sail for Celebrity Cruises® and how they promise to keep our exquisite fleet the very best in the world.

Celebrity Cruises®

Starring You®

"You really feel like you're on a floating hotel, and not a miniaturized resort. Room to relax, room to breathe."
— Richard Ouzounian, *The Toronto Star*

"The AquaClass staterooms allow for the tranquility of the spa to be translated to your cabin. If this isn't luxury, I don't know what is."
— Julia Coney, *Allaboutthepretty.net*

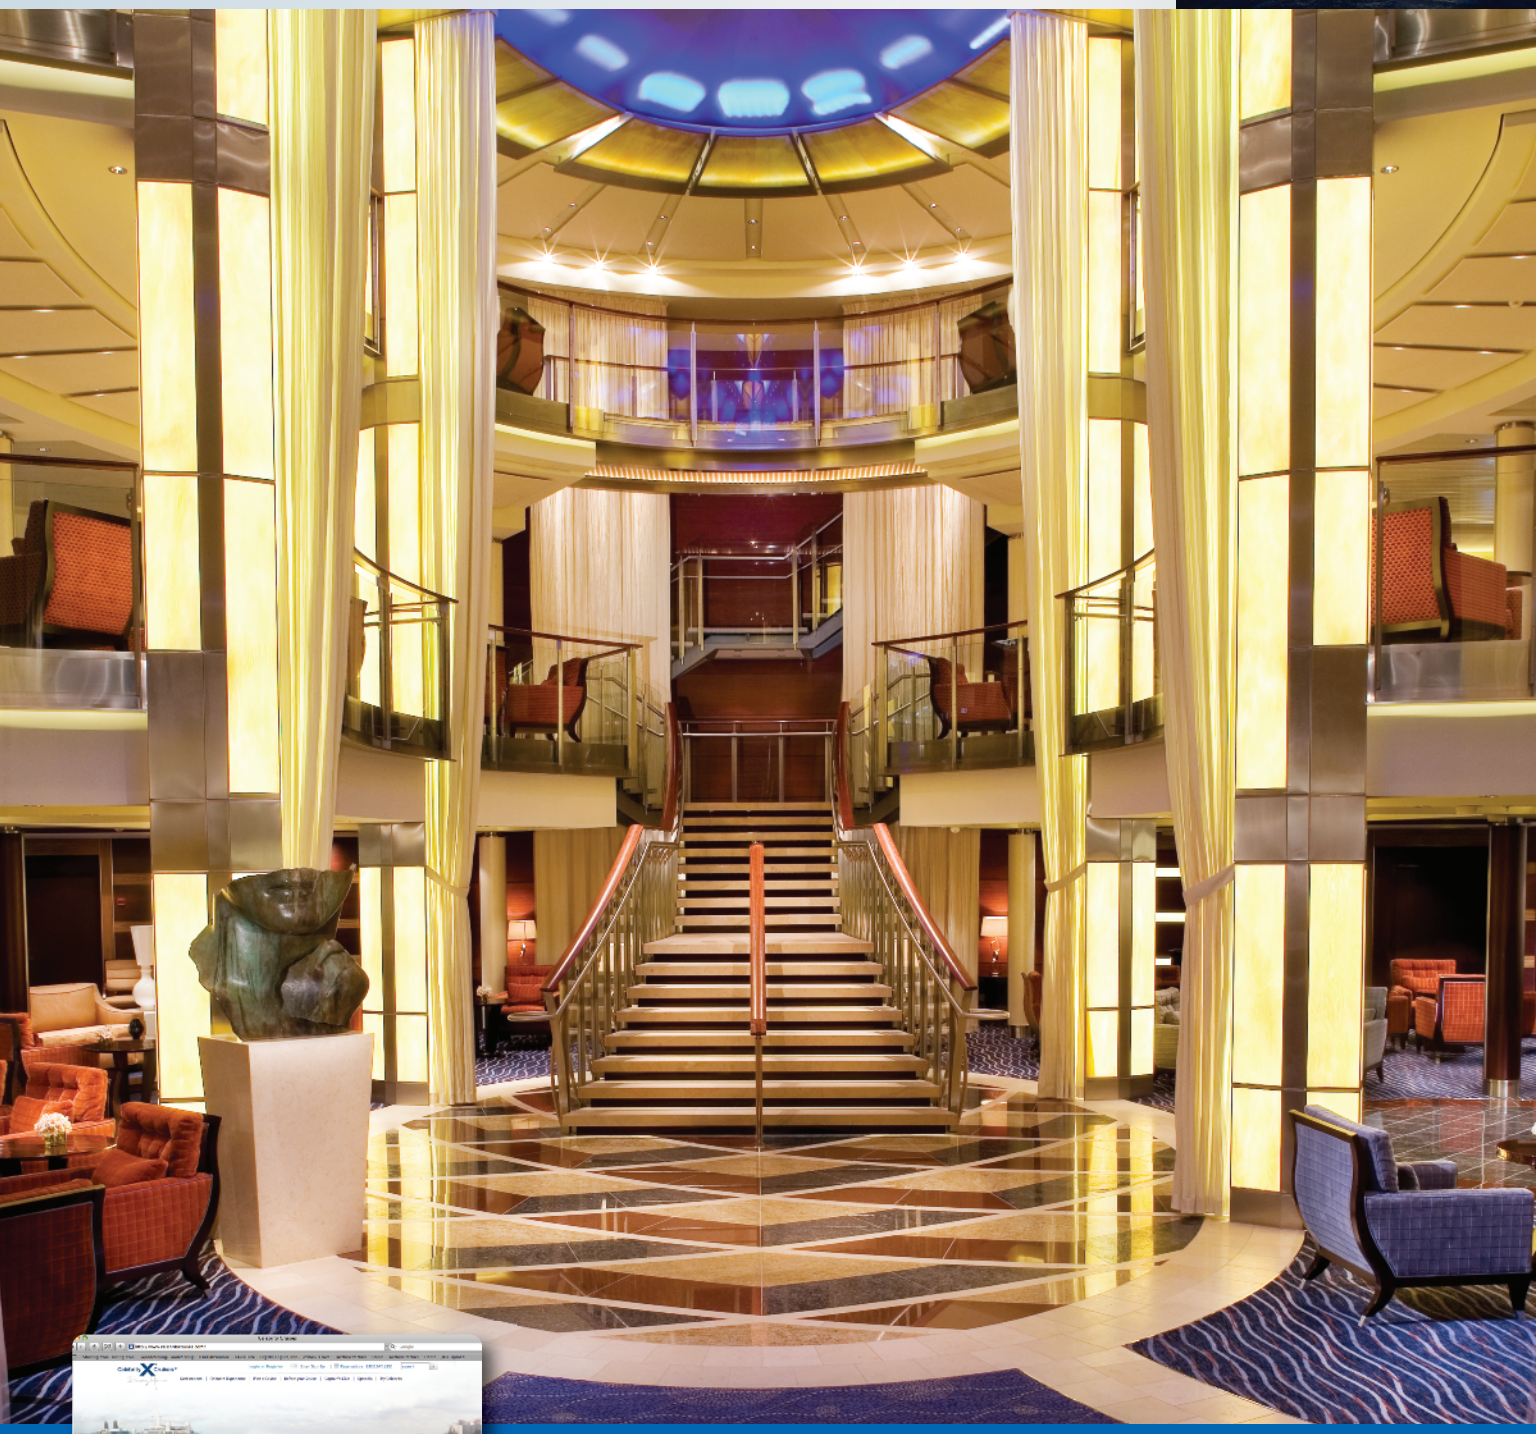

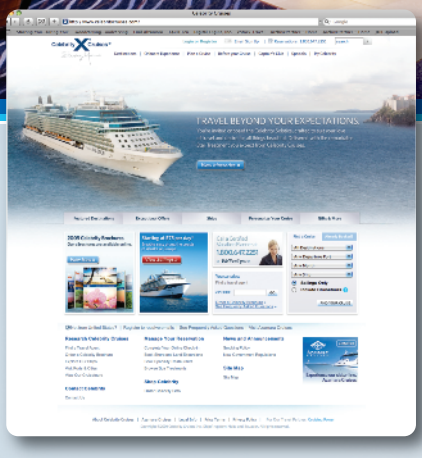

"My own view — and one widely held by other cruise writers and travel agents on board: The hype is justified. Solstice is, simply, one of the most comfortably stylish ships on the seas. It's a premium ship — that's to say, it aims at upscale ambiance, dining and service, but without the super-high price of true luxury cruising. It hits the mark."
— Jane Wooldridge, *Miami Herald*

Exceptional Dining

Guided by Excellence

How do you make the best even better? We embarked on a journey to elevate a dining program that had already won numerous awards by bringing on South African-born Jacques Van Staden, a chef whose tireless pursuit of excellence has thrilled sophisticated diners for nearly two decades. In addition to being nominated for a Rising Star Award by the James Beard Foundation, Jacques has honed his talents in some of America's finest restaurants, including Washington, D.C.'s Jean-Louis, Citronelle, Café Olé, and the Watergate Hotel, where he served as Executive Chef. He has also served as the Executive Chef in the London Club and the Chef de Cuisine of Alizé, both in Las Vegas. Jacques brings a lifelong passion for food and an appreciation of excellence to our dining program, inspiring not just memorable meals but unforgettable experiences.

Distinction

— Every aspect of our award-winning dining — from the craft that goes into preparation to the art of elegant presentation — is built around our Five Points of Distinction, a foundation for culinary excellence overseen by Chef Jacques Van Staden. These points include an innovative approach to menu design, a distinctive style that makes each venue an immersive experience unto itself, and a commitment to bringing the finest ingredients to the table — from wine and spirits to fresh seasonal fish. You can be assured that each experience will satisfy your appetite as well as exceed your expectations.

Artful Cuisine

Each meal is both a culinary and visual masterpiece. Choose from an ever-changing five-course menu and a "classic favorites" menu in our main dining rooms. And enjoy casual dining venues offering an array of specialties cooked to order, or treat yourself to the intimate pleasures of a specialty restaurant†*.

Starring You® Service

With more than two staff members per table, we're able to provide service that is highly personal yet completely instinctive, whether it's an unforgettable dish prepared tableside or the expert advice of a Sommelier to guide you through our extensive wine selection†. Each professionally trained member of our team stands ready to fulfill your every desire without intruding on the moment.

Inspired Onboard Venues

In each and every restaurant and nightspot you'll encounter an entirely distinctive experience crafted with the help of some of the world's leading designers—with the décor, menu, staff, and every other detail carefully orchestrated to create something both unique and unforgettable.

Raising the Bar †‡

Our wine list offers 480 selections, including some of the world's rarest, most sought-after vintages, as well as over 500 varieties of spirits featuring an unparalleled variety of uncommon cognacs, vodkas, scotches, and armagnacs. Presentation is also paramount to the experience, and we're pleased to introduce the first two-story glass wine tower** at sea, as well as the first Enomatic wine preservation and pouring system**.

Enriching Experiences

A vacation with us broadens your horizons in every way, immersing you in the pleasures of the voyage. To help you get the most from your time with us, we offer programs such as the Celebrity Vineyards Wine Enrichment Series, which includes the Riedel® Comparative Wineglass Workshop†‡.

The Romance of Formal Dining

At Celebrity Cruises, we're pleased to pay homage to sailing's most time-honored tradition — formal dining. Depending on the length of your cruise, each sailing will feature between one and three formal nights, with tuxedos, suits, or dinner jackets and slacks required for gentlemen, and cocktail dresses, gowns, or dressy pantsuits for ladies.

In addition, to ensure you're able to maintain your own sense of style while lending an air of sophistication to dinner in our main dining rooms and specialty restaurants†*, we have created a new dress code, "Smart Casual and Above" in those venues. Men are asked to wear long pants with a sweater or collared shirt with sleeves, while women are asked to wear a dress, skirt, or long pants complemented by a sweater or blouse.

Guests who'd like assistance in traveling lighter can also arrange to rent formal wear and have it delivered directly to their stateroom.

Possibilities

— When dining with Celebrity Cruises®, helping you get more out of your vacation dollar means offering you more choices. Regardless of what kind of food you enjoy, what kind of décor you prefer, or how formal you'd like the experience to be, you'll discover a nearly endless distinct array of possibilities to fit your mood. Whether you enjoy the opulent style of our main dining rooms that pay tribute to sailing's most grand traditions, the warmth and intimacy of a small venue, or an easygoing casual restaurant that's in keeping with the spirit of being on vacation, you'll relish appetizing choices throughout the day and evening.

Wherever you choose to dine, there is a single constant that will be a part of the experience — our desire to see to your needs, offering a level of service that you'll find every bit as satisfying as the dishes on the menu.

"We love Celebrity because the moment you step onboard you become special; and the feeling of putting on your tux and holding the arm of the woman you love and escorting her to dinner in a fabulous gown is probably the best on earth. Each Celebrity trip just gets better and better."

- Ivan, Your Starring You moment — CelebrityCruises.com

Our Main Dining Room

On each ship you'll find a magnificently spacious restaurant serving 30 entrées each evening that unite culinary artistry and impeccable service in spectacular fashion. Fine china, gleaming silver, and crisp white linens turn each meal into a memorable encounter.

*Specialty Restaurants**†

For nights that rise above all others, most ships offer a specialty restaurant, while our Celebrity Solstice[SM] Class ships offer four. Within these intimate spaces our chefs add a personal signature to each dish, with the carefully orchestrated service and atmosphere taking their cues from the ship itself. Reservations can be made up to four days prior to your departure date by visiting **CelebrityCruises.com** or by calling **800-722-5941**. You may also make these reservations once you're onboard.

Casual Dining

Our award-winning cuisine can be found even in the most casual restaurants. Whether you are searching for a more relaxing environment, want to enjoy a freshly grilled sandwich by the pool, or want to finish the evening off with a specialty coffee drink‡, cordial‡, dessert wine‡, or a late-night selection of canapés, savories, artisan cheeses, and petit fours, your options are wide open.

Additional Dining Options

Because a craving can strike at virtually any hour of the day or night, we offer a range of alternatives. Coffee and tea stations, sunset happy hours, and 24-hour room service• are just a few of the ways we're able to cater to your needs. From decadent midnight snacks to a leisurely breakfast enjoyed from the privacy of your veranda, we're always here to serve you.

Service with Style

— Onboard a Celebrity cruise, you'll discover service with style that celebrates you. But this commitment can't be measured by a single gesture; it's the summation of countless details. The warmth of your steward's smile. The way your waiter remembers your favorite dessert. The manner in which every member of our onboard staff seeks to make you feel instantly at ease. The lengths we go to ensure you never forget that this is your vacation and the experience is all about you.

Service with style is about paying attention — to all the little things that matter so much, and to you. It's about showing you how pleased we are that you've chosen to spend your vacation with us, while maintaining an onboard ratio of two guests per staff member. But above all, it's about doing everything we can to make you feel like a star — as though you're the most important person onboard. This is the essence of Celebrity's Star Treatment®.

If you love the spa life, then AquaClass, like nothing else, is all about you.

Sanctuary

— On a vacation with Celebrity Cruises®, you bring the world-class accommodations with you, giving you the freedom to relax and fully enjoy every moment of your voyage while traveling from port to port. Our thoughtfully designed staterooms and suites allow you to feel at home anywhere in the world, offering the kinds of amenities you'd expect to find at a fine hotel. This is comfortable sophistication at its best, where every detail feels personal, and spaces are thoughtfully designed around you and the way you've always longed to travel. From the moment you step onboard, you'll feel as though you've truly arrived.

Ocean Views
With many of our staterooms offering ocean views, you have ample opportunity to enjoy the Caribbean's serene seascapes and stunning natural beauty.

Extend Your Living Space
We recommend choosing a veranda stateroom, as it adds an element of pleasure to your vacation in a way that few other indulgences can. It provides an additional living area, giving you more room to stretch out. It offers a private sanctuary to relax and enjoy a romantic breakfast for two while you take in the view of an incoming port. It also creates a greater connection between you and your environment — the sights and sounds of the sea, the warmth of the sun, and the feeling of freedom that only comes with being on a truly carefree vacation.

Experience the Softer Side
Each room has 100% Egyptian cotton linens and bedding, with European-style shams and pillow-top mattresses for comfortable sleeping.

More Spacious by Design
Our staterooms have been created to maximize both storage and personal space, putting you immediately at ease.

*AquaClass**
Newly designed just for our Celebrity Solstice[SM] Class ships, our AquaClass accommodations have been created to deliver all the spa comforts you crave. Within these 130 veranda staterooms, you'll discover a personal sanctuary where you're able to customize the entire experience around your desires.

*Concierge Class***
Discover just how far we've taken the fine art of indulgence in these plush veranda staterooms. Located in the most desirable parts of each ship, these staterooms offer soothing amenities such as Hansgrohe® massaging showerheads and nightly delivery of hors d'oeuvres that make each moment a special pleasure.

Celebrity Suites†
More space is just the beginning. Our suites come with numerous personal niceties, including priority check-in and departure, luggage delivery, 24-hour butler service, and a wealth of complimentary pleasures, including a welcome bottle of sparkling wine, afternoon tea service, in-suite breakfast and lunch, hors d'oeuvres, and espresso or cappuccino.

See pages 70-73, 86-89, 102-105, and 110-113 for more detailed stateroom and suite information.

*AquaClass is offered on Celebrity Solstice Class ships only.
**Offered on all ships in the Celebrity Cruises fleet with the exception of Celebrity Xpedition®.

Interlocking Staterooms

Traveling with Family and Friends

Together

— *When* you travel onboard Celebrity Solstice[SM] Class, interlocking staterooms and connecting verandas allow you to easily share the pleasures of the voyage with friends and family. This design innovation stems from our collaboration with our Five Leading Ladies[SM], who wanted staterooms that could provide expanded living space and promote togetherness, without sacrificing the desire for privacy. Inspired by this request, we went about looking for a way to add to your sense of space while still catering to your desire for personal space. This is just one of the carefully considered details that makes Celebrity Solstice Class such a unique experience.

Outdoor Living
If you choose, open up the veranda partition wall for one large shared outdoor space, connecting staterooms through veranda sliding doors.

Private Connecting Foyer
You have the option of opening or closing your private stateroom doors for shared double stateroom living or your own desired privacy.

Common Space Outer Door
Opens into a small interior foyer that can be closed off from the public hallway, insulating you from the rest of the ship.

A Celebrity Solstice Class Exclusive — Interlocking Staterooms

Style is . . .

NEW INTERLOCKING STATEROOMS

On nearly every deck of Celebrity Solstice Class, we've created this special class of interlocking veranda staterooms. Each of these accommodations is accessed by an outer door that opens into a small interior foyer separate from the public hallway and insulated from the rest of the ship. From here, there are two doors that open into two distinct staterooms. You have the option of leaving the doors closed to create your own inner sanctuary, or leaving them open, to create an expanded double stateroom that allows you and the other members of your party to come and go between staterooms without having to enter the hallway. Now whether you're traveling with family or just good friends, the pleasures of Celebrity Solstice Class are yours to share.

Upgrading To The Pleasures of a Suite

Nothing captures the feeling of being a star quite like traveling in a suite. Within these more spacious accommodations you'll revel in a wealth of personal niceties capable of transforming a cruise vacation into a completely indulgent, fully comprehensive experience. From complimentary sparkling wine, fresh fruit, and flowers delivered to your room by your butler to enjoying special privileges like priority check-in and preferred seating in the main dining room and specialty restaurants, a suite enhances the value of cruising like nothing else can.

Spa & Fitness

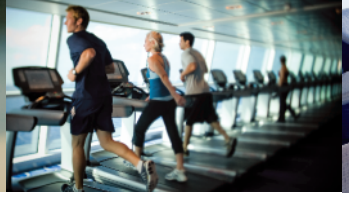

Acupuncture by AquaSpa**

Acupuncture, which has been practiced for thousands of years, can enhance your health and vitality. It can help relax the mind and body, thereby eliminating the effects of stress, or help relieve chronic pain in the neck, joints, and back. It can also help reduce the severity of migraines, aid in weight loss, detoxify the body, or help with smoking cessation. Even if you do not suffer from any specific ailments, acupuncture is a wonderful maintenance tool that can bring your mind and body into balance. All of our acupuncture treatments are safely administered in the Acupuncture Clinic by our licensed acupuncturist.

Passions

— Each day on a Celebrity cruise begins with the promise of possibility, with nothing but options in front of you as you pursue your own personal passions. Will you spend your time enthralled by a large-scale musical production, or engrossed in a presentation that satisfies your own sense of curiosity? Will you browse through the extensive onboard shopping arcade, walk barefoot through the grass on The Lawn Club†, or listen to some of your favorites played in one of several onboard lounges? Perhaps you'd like to dance the night away, or spend it in our casino in pursuit of Lady Luck? Or maybe you'd like to find some secluded spot, curl up with a favorite book from the onboard library, and enjoy the fine art of doing nothing at all. When you travel with Celebrity Cruises®, each moment is yours to enjoy in your own way.

Nighttime Excitement

Guests feeling lucky head to the spacious yet sophisticated Fortunes Casino★. Each ship also holds numerous nightspots, bars, and lounges, from the Martini Bar★ to the more serene Michael's Club★.

Scintillating Entertainment

From full-scale lavish musical Broadway-style productions in the Celebrity Theater★ put on by well known producers, to movies, theme nights, karaoke nights, and comedy shows, you'll never want for entertainment on a Celebrity cruise.

Shopping

Peruse the treasures created by some of the world's foremost jewelry and timepiece designers among the shops of Boutique C★ or browse among the 18 stores found on the Shops on the Boulevard†, where you'll discover the pinnacle of luxury shopping and duty-free savings.

Works of Art

Sharing our love of art has always been a part of the Celebrity experience. Our ships are like vast floating galleries, with extensive modern art collections showcasing some of the world's most innovative artists working in a wide range of mediums. You're invited to browse among the works and take part in an interactive self-guided audio tour that explains all of the pieces you'll find throughout each ship, or take part in the art auctions that are a part of each cruise★.

Enrichment

The thrill of discovery is everywhere onboard a Celebrity cruise. Take part in a Comparative Wineglass Workshop★‡ with Riedel Crystal®, or enjoy a Celebrity Speaker Series★, where experts share both their knowledge and their passion for their chosen subjects. And be sure not to miss our new interactive exhibit — Team Earth†, a unique partnership with Conservation International.

The Hot Glass Show℠ — Fueling the Creative Fires†

Thanks to a collaboration between Celebrity Cruises and The Corning Museum of Glass, guests on Celebrity Solstice℠ Class ships can experience a show highlighting the talent and passion of some of the world's most creative gaffers, or glassblowers, something never before experienced at sea. These shows, which take place twice daily on most itineraries, provide a front row seat on some mesmerizing artistry — special cameras have even been placed inside the 2,300° furnaces, with the images broadcast on large monitors, ensuring that you don't miss a thing. As the gaffers perform their magic, you're welcome to ask questions as these self-described "glass evangelists" share their secrets and their love of glass. At the end of each sailing, we auction off a few of the best pieces created, with proceeds being donated to Celebrity Cruises Glassmaking Scholarship Fund.

VIP Passes for Kids

A VIP Party Pass* includes behind-the-scenes ship tours; screenings of their favorite movies on the big screen with popcorn; afternoon, dinner, and slumber parties; also all kinds of VIP souvenirs and a Goodie Bag. You can also give kids a Sea Pass Card, which gives them ship-wide charging privileges, controlled by you, of course. Best of all, when you buy a VIP Party Pass for your kids, you save up to 40% on nighttime babysitting.

Play time

— Nowhere is the sense of discovery that permeates the Celebrity Cruises® experience more evident than in our highly supervised kids' programs. It begins with our staff, a group of very energetic and highly educated counselors whose passion for working with children is unmatched. They bring not just a wealth of different cultural backgrounds from around the world to each program, but also a world of enthusiasm. Within this environment, designed around different age groups, kids are engaged, entertained, and above all, feel like stars.

HIGH ABOVE IT ALL IN DOMINICA

On a cruise to the Caribbean, you're naturally entranced by the attraction of white sand and blue water that so distinguish these shores. But to get to the heart of the matter, it's necessary to venture beyond the beach, where a delightful buffet of surprises await. One such delight can be found on the volcanic island of Dominica, better known for its verdant rainforest than its beaches. A short trip inland from the port of Roseau brings you to the Rainforest Aerial Tram Park, one of the Caribbean's most magical places. Climbing onboard a tram, you'll ascend high into the rainforest canopy, into a world of extraordinary sights and sounds. You may hear capuchin monkeys skittering through the trees, or exotic birds calling out to one another. You'll see some of the thousands of species of flora and fauna that call this place home; a number so vast that internationally renowned scientists use this very shore excursion to conduct their research.

This is part of what makes Celebrity's Caribbean so different from other experiences. You have the opportunity to discover life outside the ordinary to find not just a better view but an entirely new perspective.

Must See

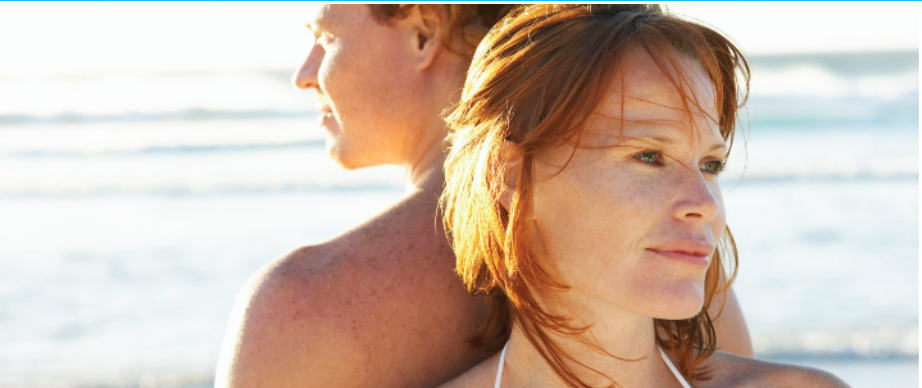

THE PROTECTOR OF PUERTO RICO

When walking along the placid city streets of San Juan, it's easy to forget that this strategically located island was once one of the most contested in the New World. While visitors in the 17th and 18th centuries were more often than not repelled by the massive fortresses that ring the island, these now serve as fascinating destinations for visitors. One such site is Castillo de San Cristóbal, a sprawling defensive complex covering 27 acres that took over 130 years to complete. This massive edifice was able to withstand attacks in two ways. First, it stands 150 feet from its base to its cannons, giving defenders a distinct height advantage. The second are the five separate sets of walls and fortifications, each connected by a series of moats and secret tunnels. The result is a fortress of near impenetrability, having withstood attacks by the British and Dutch. Even the American forces were briefly rebuffed during the Spanish-American War. In fact, the fort was considered to be such a strong defensive structure that it was used by American troops during World War II, who stood guard against enemies who might desire a Caribbean stronghold.

Refined

— Bermuda represents an intersection offering the best of all worlds. It offers tropical delights and warm ocean waters, where vibrant hues color life in a most spectacular way. Think pink sand beaches, azure seas, and a profusion of flowers in nearly every shade, or imagine reggae beats and calypso rhythms. It embraces the refinement of English civility at its most warm and welcoming, with rituals such as morning cricket and afternoon tea, yet slyly winks at a slightly more roguish past, when rum runners and seafaring adventurers called these ports home. Add in a proximity to the East Coast of the U.S., and you have a destination where you can truly escape from it all without having to venture too far. This is Celebrity's Bermuda — so close to home yet so different from any other place.

SANDS OF A DIFFERENT COLOR

Each of our Bermuda itineraries offers at least one overnight in King's Wharf, a fascinating port city once used by the British to stage raids on the U.S. coastline during the War of 1812. But what this extra time allows you is ample opportunity to experience a phenomenon found in few other places — beaches with pink sand. This distinguishing feature of Bermuda actually has a very interesting scientific explanation. The seas of the coast of this tiny island are filled with massive colonies of pink coral, which also play host to a number of tiny invertebrates. Unlike some beaches, where the sand is primarily volcanic in nature, these sands consist of tiny particles of shells and coral, which wash up on shore over time, giving many Bermudian beaches a distinctive pinkish tinge. While these beaches are beautiful during the daylight hours, it's only as the light fades that sublime turns to utterly spectacular as the sand seems to glow, almost as though it's competing with the colors of the setting sun. Because you'll be here for at least one of these displays, you'll have the opportunity to see something truly memorable.

King's Wharf, Bermuda

Perched on the tip of Bermuda's West End, King's Wharf is home to an impressive Royal Navy Dockyard and a crafts market, where local artists display their wares. Nearby, Somerset Village boasts the world's smallest drawbridge, opening a mere 22 inches — just wide enough to accommodate a sailboat's mast.

SHORE EXCURSIONS INCLUDE: *Scenic Southern Shore by Taxi, Champagne Carriage Ride for 2, Bermuda Premier Glass Bottom Boat Cruise, Reef Explorer Glass Bottom Boat & Snorkel Safari, Coastal Cruise & Aquarium Safari, Hartley's Helmet Dive*

Newport, Rhode Island

This city, founded in 1639, has served as the summer home for America's rich and powerful, including John F. Kennedy, earning it the nickname "Summer White House." Miles of picturesque shoreline, a number of beautifully preserved Colonial-era homes, and a string of spectacular mansions, some of which served as the setting for the filming of The Great Gatsby, make Newport an integral part of any New England visit.

SHORE EXCURSIONS INCLUDE: *Newport Scenic Drive, Grand Mansions and Newport Highlights*

NEW SHORE EXCURSIONS NOT TO MISS

On Bermuda's Premier Glass Bottom Boat Tour you'll travel on an air-conditioned luxury cruiser, floating over coral reefs and an 18th-century sunken ship, where fish will rise from the depths for a feeding. Enjoy a clear view of one of the world's most vibrant ecosystems on this exciting adventure.

On Hartley's Helmet Dive you'll be taken out to a dive site on a glass-bottomed boat, where you'll don a diving mask with an integrated air supply and descend into the sea with a guide, who will point out all kinds of different marine life, some of which you can hold or feed by hand. This 30-minute undersea exploration requires no scuba certifications.

CELEBRITY SOLSTICE[SM] CLASS

Come experience the apex of style, where design and innovation come together as never before. With Celebrity Solstice[SM] and Celebrity Equinox[SM] already sailing, Celebrity Eclipse[SM] scheduled to launch in 2011, and two more ships slated to launch soon thereafter, there will ultimately be five of these spectacular ships. Each one redefines style, surrounding you in an environment that celebrates you with unexpected gestures at every turn — from a half-acre of freshly manicured grass and 10 spectacular dining venues to a glassblowing studio and an entirely new class of stateroom.

CELEBRITY MILLENNIUM® CLASS

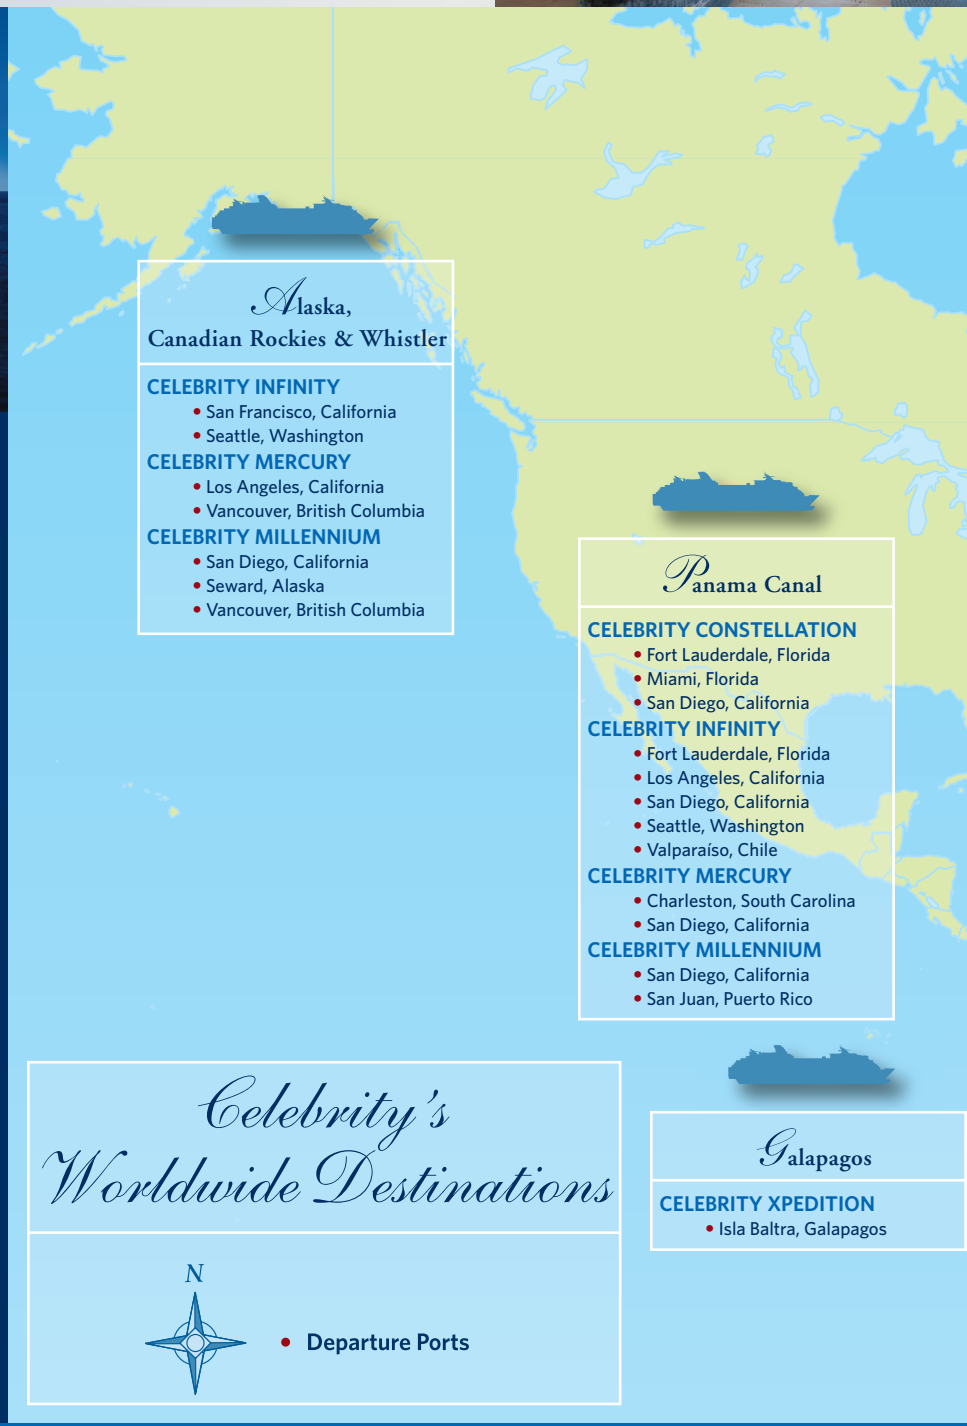

These four award-winning ships, Celebrity Constellation®, Celebrity Infinity®, Celebrity Millennium®, and Celebrity Summit®, celebrate the grand era of cruising, with every detail fine tuned to radiate the romantic exhilaration of travel. Stand in the vast central atrium spanning 11 decks and gaze in awe at the expansive space around you. Ride the glass elevator along the outside of the ship and take in the endless ocean views or retreat to your stateroom, many of which offer an ocean view of their own, and surround yourself in comfort.

CELEBRITY CENTURY® CLASS

Celebrity Century® and Celebrity Mercury® want for nothing when it comes to elegantly modern design, making them a favorite with guests who prefer a mid-sized ship. Both feature our signature AquaSpa® by Elemis® and Michael's Club, while Celebrity Century's Martini Bar also boasts a unique ice bar, the first at sea.

CELEBRITY XPEDITION®

Designed not just for travel but for exploration, this 92-guest ship sails to the Galapagos Islands, one of the world's last pristine environments. Celebrity Xpedition is outfitted with a wealth of luxuries that cater to the needs of guests, just as its environmentally sound design helps preserve this delicate archipelago.

CELEBRITY'S STAR TREATMENT®

From the incredible personal service to the stylish and innovative ships, the award-winning cuisine to the rejuvenating AquaSpa® by Elemis®, at Celebrity Cruises®, your vacation experience means everything to us. Interlocking Staterooms

Our interlocking staterooms, found only on Celebrity Solstice Class ships, allow you to share the pleasures of travel with family and friends without sacrificing privacy. The rooms are connected by a vestibule that opens onto the hallway, creating a foyer between the two rooms, each with its own door. Close the doors for privacy, or open them to create an expanded double stateroom that allows you and the other members of your party to come and go between staterooms without having to enter the hallway.

What to Pack

Caribbean • Bermuda

ESSENTIAL TRAVEL DOCUMENTATION

• **Passport.** A valid passport is required for travel in nearly all circumstances, and Celebrity Cruises recommends that you always travel with one in order to make sure your vacation experience is as smooth and as enjoyable as possible. Also, please be sure to check the visa requirements for each country on your itinerary. See page 126 for passport information or visit **CelebrityCruises.com.**

• **Cruise Documents.** You'll need these to board your ship or begin your cruisetour.

• **Guest Embarkation Forms.** These can also be filled out online at **CelebrityCruises.com/onlinecheckin** and must be shown prior to boarding.

Packing

— When packing for your Celebrity Cruises® vacation, you'll want to balance a desire to pack light with the need to ensure you have everything you'll need to wear throughout your cruise. Use some of the clothing categories below as a packing guide.

ONBOARD

Formal Wear

Formal dining is an integral part of our sophisticated onboard environment, which is why we've designated up to three nights in the main dining room and specialty restaurants as formal nights. For these nights, gentlemen should pack a tuxedo, a suit, or a dinner jacket with slacks. Ladies should pack a cocktail dress, gown, or dressy pantsuit. To see how many formal nights are scheduled for your cruise, consult the table below.

LENGTH OF CRUISE ITINERARY	NUMBER OF FORMAL NIGHTS
4 nights to 6 nights	1
7 nights to 11 nights	2
12 nights to 15 nights	3

Smart Casual and Above

To ensure the atmosphere in our restaurants reflects their classic elegance, meals on certain nights will be designated as Smart Casual and Above. Gentlemen should pack pants with no holes or tears with a sport shirt with sleeves or a sweater. Ladies should pack skirts or long pants, complemented by a sweater or blouse.

Casual Attire

Prior to 6:00 pm and throughout the day in our more casual restaurants, casual wear — such as jeans and shorts — is permitted.

Active Wear

All ships have pools and a spa, so pack a swimsuit, as well as workout attire.

FOR SHORE EXCURSIONS

Clothing

Pack sturdy, comfortable walking shoes and socks. Also, because the weather tends to change, pack both warm-weather clothes like shorts and short-sleeved shirts, as well as cool-weather clothes like a fleece top or waterproof or windproof jacket.

Additional Essentials

A hat, gloves, sunglasses, sunblock, and insect repellent will come in handy, as will a resealable plastic bag to prevent water damage to cameras and other items of that nature. If you bring a digital camera, make sure to pack plenty of memory cards.

TRANSFER PROGRAM

When purchasing ground transfers via Celebrity's ChoiceAir website or the Custom Air Program, ground transportation is offered between arrival airport and the pier, and between the pier and departure airport, for an additional charge. Should the guest purchase a hotel package from Celebrity Cruises, a ground transfer is included in the hotel package from the hotel to the pier or pier to hotel. Transportation to and from the airport to the hotel and back is not available in all embarkation / debarkation cities. Please check with Celebrity Cruises for assistance and suggestions on the best service to reserve for airport to hotel transportation.

Ground transfers from the arrival airport to the pier are also available for purchase by guests who make their own travel arrangements. When transfers are purchased, guests will be met upon arrival and directed to the Celebrity Cruises bus. Please check your cruise documents for exact locations of transfer pick-up.

When reserving this service, please remember Celebrity Cruises requires guests' flight arrival information in order to promptly meet all arriving guests. For complete ground transfer details, guests are instructed to consult their travel agent or call Celebrity Cruises.

FLIGHT RESTRICTIONS

Celebrity uses commercial airlines, as well as commuter and/or charter air service. The airline tickets acquired by Celebrity are, in most cases, highly restrictive. The airlines providing air transportation may limit the ability to re-issue, exchange or make changes to guests' air tickets. All airline tickets purchased via the ChoiceAir website are the property of the guest(s) and are subject to the terms and conditions of the issuing air carrier. Any changes or refunds to a ChoiceAir ticket must be handled through the ChoiceAir Support/Exchange Desk or directly with the air carrier.

All airline tickets purchased via the Custom Air Desk are only allowed to be changed or refunded by Celebrity Cruises.

Certain air carriers do not provide advanced or reserved seating nor award frequent flier miles for a ChoiceAir or Custom Air flight.

Penalties or fees for changes to air transportation booked through Celebrity may result in additional fees or charges which must be paid by the guest. Such change may also result in a different fare that must be paid by the guest. Cancellation of any Custom Air booking made within 60 days prior to sailing (90 days for holiday sailings) will result in a cancellation charge ranging from 50% to 100% of the air charge, which is the guests' responsibility. Celebrity Cruises acts as a sales agent for the air carriers used. Celebrity is not responsible for airline schedule changes, cancellations, rerouting, or any disruptions of scheduled services once air documents have been issued. The air transportation is the responsibility of the air carrier used in conjunction with guests' Air/Sea program and is subject to and limited by the "Contract of Carriage" as specified by the air carrier for each ticket issued.

AIR FEES, TAXES AND SURCHARGES

All ChoiceAir fares sold by Celebrity Cruises will include the exact amount of any applicable air carrier's taxes, fees, and/or other surcharges. Any increase in the air carrier's taxes, fees and/or other surcharges will not be recalculated on air that has already been ticketed and in the hands of the guest.

Please note, certain air tickets sold through Celebrity Cruises are subject to change without notice and are not guaranteed until full payment has been received and airline tickets have been issued. Celebrity's combination air/cruise rate does not include any applicable airport departure or facilities fees or other taxes/fees/surcharges assessed by domestic or foreign governmental or quasi-governmental agencies ("Air Taxes and Fees") for your flight(s) nor do these rates include any applicable fuel, security or other surcharges that may be assessed by the airline and/or the airport. Celebrity reserves the right to charge an estimated amount as follows: Air Taxes and Fees and/or Fuel, Security or Other Surcharges may vary by gateway (origin) city and routing. Celebrity may estimate any of these fees based on the guest's expected gateway city and/or charge an average amount. Guest's actual charge for air taxes & fees and/or fuel, security, or other surcharges may be higher or lower than the Celebrity estimate; refunds will not be made if the actual air taxes and fees and/or fuel security

or other surcharges are lower than estimated. Some countries require guest to pay departure taxes, which are not included in the airline ticket. Celebrity recommends guests verify all taxes and fees for which they are held responsible at the time they book their air.

AIR TRANSPORTATION ON YOUR OWN

Should you choose to make your own air transportation arrangements, Celebrity will not be responsible for a hotel arrangement nor will the ship be able to welcome you earlier than the scheduled boarding time. For back-to-back cruises: consult your travel agent or Custom Air Department for complete details.

BAGGAGE

Each adult passenger is permitted to carry onboard the vessel or check-in only the wearing apparel and personal effects reasonably necessary for the cruise or cruisetour, including suitcases, trunks, valises, satchels, bags, hangers containing clothing, toiletries, and similar items. However, for your comfort and convenience, it is recommended that you limit the number of pieces you take. Air Arrangements Program guests are usually allowed two pieces of checked luggage (not including oversized bags and sports equipment, such as golf bags, water skis, scuba equipment, etc.) and a carry-on bag. In addition, many airlines impose surcharges for baggage that exceeds a certain weight limit or that exceeds a certain quantity. Check with your carrier for specific instructions.

IMPORTANT NOTE: *Remember to bring along an overnight bag for your last night at sea. Your stateroom attendant will collect your baggage the night before departing, and you will need a bag in which to carry off your night clothes, toiletries, and valuable items.*

Day wear includes slacks or pants, blouses or shirts, and knit tops or polo shirts. **Pack sturdy, comfortable walking shoes and socks. - Trip Delay-up to $500: If you miss the departure of your trip due to carrier-caused delays or other covered reasons, CruiseCare Travel Insurance reimburses you for additional accommodations, meals and "catch-up" transportation expenses.
- Baggage Protection - If your baggage or personal property is lost, stolen or damaged, CruiseCare Travel Insurance will cover up to $1,500. If your bags are delayed or misdirected for more than 24 hours, CruiseCare Travel Insurance will reimburse you up to $500 for the purchase of necessary personal items.
- Medical Expenses - up to $10,000: Should you become injured or sick during your vacation, CruiseCare Travel Insurance will reimburse you for necessary medical expenses for up to one year from the date of your accident or illness. This coverage is especially important, as Medicare and many private insurance policies generally do not cover you outside of the U.S. or Canada, and many HMOs do not cover you outside their provider area.
- Emergency Evacuation - up to $25,000: In the event that a covered illness or injury requires air or ground transportation to a specialized facility or to return home, CruiseCare Travel Insurance provides for covered medical services and supplies (coordinated by our 24-hour assistance provider to help ensure your safe transport).

NECESSARY DOCUMENTATION

Cruise Documents

Guests' cruise documents provide information relevant to the sailing. Normally, documents will be received by the travel agent 50-30 days prior to sailing, assuming cruise elements are finalized and payments made. Group and Air/Sea documents require additional steps and will normally be received by the travel agent within 30 days of sailing.

Documentation for some bookings will be provided electronically via the Internet (eDocs) for travel agency access. An additional production and shipping fee is required for cruise document reprinting.

Documents may not be provided in advance for bookings finalized the week of sailing – guest will obtain pertinent details at the pier prior to boarding and on board the ship. Regardless of document status, no one will be allowed passage unless his or her name appears on the ship's guest manifest. All cruise tickets and Air Arrangements are valid only for the named passenger and may not be sold or transferred.

Guest Embarkation Forms

In order to make your boarding process as simple as possible, we offer an online method for providing information we need before you can embark on the vessel. Just visit celebritycruises.com/onlinecheckin to fill out your embarkation forms. For guests who do not provide the information online, embarkation forms will automatically be included with your cruise documents. Please fill out these forms before you leave.

NOTE: *Applicable laws and regulations may require Celebrity to collect and pass on to governmental and other authorized bodies certain personal and other details related to you. If you fail to supply the details requested fully and accurately, you may not be permitted to board the ship or your flight. If, as a result of your failure to comply with the foregoing, Celebrity incurs any fines, surcharges or other financial penalty, you will be responsible for reimbursing us accordingly.*

Make sure you have the proper forms of identification needed for your particular trip. Give yourself plenty of time to obtain or renew your passport, if necessary.

Travel Documents and Identification

PASSPORT REQUIREMENTS

Before leaving home, please take a few minutes to familiarize yourself with the required travel documents you will be asked to provide prior to boarding the ship.

Caution: The requirements described below are government regulations and policies. They are subject to change without notice. It is the sole responsibility of the guest to identify and obtain all required travel documents and have them available when necessary. These appropriate valid travel documents, such as passports, visas, inoculation certificate, and family legal documents, are required for boarding and re-entry into the United States and other countries. For your protection, we recommend that your passport expiration date not occur within six (6) months following the voyage termination date.

Guests who do not possess the proper documentation may be prevented from boarding their flight or ship or from entering a country and may be subject to fines.

No refunds will be given to individuals who fail to bring proper documentation.

Guests on consecutive sailings must ensure they have the proper travel documents for their cruise vacation.

International Air Travel

All travelers, including children, must present a valid passport or secure travel document when entering the United States by air.

International Cruise Travel

All travelers, including children, must present a valid passport on cruises starting or ending outside the United States/Canada.

Please contact the Embassy (Consular Services) of each country on your sailing itinerary or the visa service of your choice for specific visa requirements, information, forms and fees for your nationality.

U.S. Cruises Western Hemisphere Travel Initiative (WHTI) - Open Loop - OR U.S. Cruises that Begin and/or End in Canadian Ports

U.S. Citizens

U.S. citizens that board a cruise ship at a port within the U.S., travel only within the Western Hemisphere and return to a different U.S. port on the same ship will require a valid Passport, U.S. Passport Card, Enhanced Driver's License or Trusted Traveler Program Card such as Nexus, Sentri or Fast.

Canadian Citizens

Canadian citizens that board a cruise ship at a port within the U.S., travel within the Western Hemisphere and return to a different U.S. port on the same ship will require a valid Passport, Enhanced Driver's License or Trusted Traveler Program Card such as Nexus, Sentri or Fast.

All Others

All other citizens that board a cruise ship at a port within the U.S., travel within the Western Hemisphere and return to a different U.S. port on the same ship will require a valid Passport or U.S. Alien Registration Card.

U.S. Cruises, Western Hemisphere Travel Initiative (WHTI) - Closed Loop -

U.S. Citizens

Option 1: U.S. citizens that board a cruise ship at a port within the U.S., travel within the Western Hemisphere, and return to the same U.S. port on the same ship will require a valid Passport, U.S. Passport Card, Enhanced Driver's License or Trusted Traveler Program Card such as Nexus, Sentri or Fast.

Option 2: In the absence of any of the documents listed above, U.S. citizens will need to present BOTH an identification and citizenship document from each of the lists below in order to board the ship.

Identification Document

- Government issued photo identification card

Citizenship Documents

- U.S. Birth Certificate (original)
- U.S. Certificate of Naturalization (original)
- U.S. Consular Birth Abroad Certificate (original)

Canadian Citizens

Canadian citizens that board a cruise ship at a port within the U.S., travel only within the Western Hemisphere, and return to the same port on the same ship will require a valid Passport, Enhanced Driver's License or Trusted Traveler Program Card such as Nexus, Sentri or Fast.

All Others

All other citizens that board a cruise ship at a port in the U.S., travel only within the Western Hemisphere, and return to the same U.S. port on the same ship will require a valid Passport or U.S. Alien Registration Card.

Our Recommendation

Celebrity Cruises strongly recommends that all guests travel with a valid passport during their cruise. This greatly assists guests who may need to fly out of the United States to meet their ship at the next available port should they miss their scheduled embarkation in a U.S. port; guests entering the U.S. at the end of their cruise; and guests needing to fly to the U.S. before their cruise ends because of medical, family, personal or business emergencies, missing a ship's departure from a port of call, involuntary disembarkation from a ship due to misconduct, or other reasons.

Guests who need to fly to the United States before their cruise ends will likely experience significant delays and complications related to booking airline tickets and entering the United States if they do not have a valid U.S. passport with them.

For additional passport information visit **www.travel.state.gov** or the passport service of your choice, such as CIBT - Passport And Visa Service at **www.cibt.com/celebrity**.

Visa Waiver Program

This is a pre-travel authorization program for U.S. bound travelers from Visa Waiver Countries. This is a U.S. Department of Homeland Security (DHS) program. The Electronic System for Travel Authorization (ESTA) is mandatory, and all travelers, regardless of age, from Visa Waiver Program (VWP) countries will be required to complete an online application similar to the I-94W and obtain an ESTA approval prior to boarding a carrier by air or sea to the United States under the VWP. For complete details, please refer to the VWP.ESTA website **https://esta.cbp.dhs.gov.**

Guests who apply electronically will be required to present their ESTA authorization approval receipt in order to board the vessel on applicable voyages.

Countries currently listed on the US Government website that are participating in the Visa Waiver Program:

Andorra	Iceland	Norway
Australia	Ireland	Portugal
Austria	Italy	San Marino
Belgium	Japan	Singapore
Brunei	Latvia	Slovakia
Czech Republic	Liechtenstein	Slovenia
Denmark	Lithuania	Spain
Estonia	Luxembourg	Sweden
Finland	Malta	Switzerland
France	Monaco	United Kingdom
Germany	The Netherlands	
Hungary	New Zealand	

Travelers from the VWP countries seeking to enter the United States will also be required to have in their possession a a machine-readable passport.

For Passport requirements for Visa Waiver Program applicants visit the CBP.gov website.

Inoculations / Health

As detailed in our brochure, all guests must ensure they are medically fit for travel. As such, we remind

you to check with your physician at least 4 to 6 weeks before sailing to make sure you are up to date with any required immunizations or vaccines you may need (including but not limited to certification of yellow fever vaccination) to ensure you will be permitted to visit each of the exciting destinations and tours on your itinerary.

For further information, you may contact the Centers for Disease Control & Prevention's Traveler's Health website at www.cdc.gov/travel/ or toll-free at 1-800-232-4636.

FAMILY LEGAL DOCUMENTS

Should the last names of the parent and minor child traveling with them differ, the parent is required to present the child's valid passport and visa (if required) and the child's birth certificate (original, a notarized copy or a certified copy). The name of the parent(s) and the child must be linked through legal documentation.

Adults who are not the parent or legal guardian of any minor child traveling with them are required to present the child's valid passport and visa (if required) or the child's birth certificate (original, a notarized copy or a certified copy) and an original notarized letter signed by at least one of the child's parents. The notarized letter from the child's parent must authorize the traveling adult to take the child on the specific cruise and must authorize the traveling adult to supervise the child and permit any medical treatment that must be administered to the child. If a non-parent adult is a legal guardian, the adult must present a certified Certificate of Guardianship with respect to the child.

Why Is Having the Required Documentation Important?

Guests who do not possess the proper documentation may be prevented from boarding their flight or ship, or from disembarking or entering a country, and may be subject to fines. If, as a result of your lack of proper documentation, a fine or other cost is incurred by Celebrity Cruises, you agree to indemnify Celebrity Cruises for such expenses. It is the sole responsibility of the guest to identify all travel, inoculation and health requirements and obtain and have available, when necessary, the appropriate valid travel documents, such as passports and visas; inoculation documents, such as Yellow Fever certificates; and other health requirements.

Important Terms and Conditions

TERMS AND CONDITIONS

ADVANCED OR DELAYED SAILING/ ITINERARY CHANGES

In the event of strikes, lockouts, riots, weather conditions, mechanical difficulties or for any other reason whatsoever, Celebrity may, at any time and without prior notice, cancel, advance, postpone or deviate from any scheduled sailing or port of call, and may, but is not obliged to, substitute another vessel or port of call, and shall not be liable for any loss whatsoever to guests by reason of such cancellation, advancement, postponement, deviation or substitution. Celebrity shall not be responsible for any failure to adhere to the arrival and departure times published in this brochure for any of its ports of call. For questions regarding itinerary changes due to weather or other current events, please log on to celebritycruises.com or call our customer relations department at 800-437-3111.

While every effort will be made to adhere to the specifics shown herein for a cruise, circumstances may necessitate changes or deviations therefrom. All schedules, itinerary destinations, hours of arrival and departure, hotel and/or conveyances, and other aspects of cruise programs are subject to change without prior notice. Neither Celebrity nor any affiliated party shall be required to refund any portion of fare or other charges or make any compensation under these circumstances.

ALCOHOLIC BEVERAGES

The minimum drinking age for all alcoholic beverages on all Celebrity ships is 21.

- However, on ships in Europe and South America, where the legal drinking age is lower than 21, a parent who is sailing with his or her son(s) and/or daughter(s) who is between the ages of 18-and-20, may sign a waiver allowing the 18-to-20 year old to consume alcoholic beverages.
- The 18-to-20-year-old must agree to comply with Celebrity's policies, including among other things, agreeing to not provide alcoholic beverages to any other person, regardless of age. Restrictions apply, and this policy is subject to change without notice.
- An individual's age on the date of sailing determines his or her status for the entire cruise vacation.
- Guests are not allowed to bring beer or hard liquor onboard for consumption or any other use. Guests wishing to bring personal wine onboard with them at the beginning of the cruise may do so, limited to two (2) bottles per stateroom, but when consumed in any shipboard restaurant, bar or dining venue, each bottle shall be subject to a corkage fee of $25.00. If a guest receives a bottle of wine (in their stateroom) from a family member of friend, and that bottle(s) was purchased from our Bon Voyage Gift selection, then no corkage fee will apply if they wish to consume the bottle in the dining room or any public area. If a guest receives a bottle from an outside vendor and/or travel agent, and the bottle was not purchased through our Bon Voyage selection, then a $25.00 corkage fee per bottle will apply if they wish to consume the wine in the dining room or any other public area. The fee will be applied to the guest's onboard account.
- Alcoholic beverages that are purchased in ports of call or from onboard shops will be stored by the ship and delivered to guest staterooms on the last day of the sailing. Security may inspect containers (water bottles, soda bottles, mouthwash, luggage, etc.) and will dispose of containers holding alcohol. Celebrity's Guest Conduct Policy may be enforced, up to and including disembarkation, if a guest violates any alcohol policy. Guests under the age of 21 will not have alcohol returned to them.
- Guests who violate any alcohol policies (over-consume, provide alcohol to people under age 21, demonstrate irresponsible behavior, or attempt to conceal alcoholic items at security and/or luggage check points or any other time) may be disembarked or not allowed to board, at their own expense, in accordance with our Guest Conduct Policy.
- Celebrity reserves the right to revoke or otherwise restrict drinking privileges of any guest, regardless of age. Even if all criteria are met, shipboard personnel may elect, and have the option to, not grant the waiver or any such drinking privileges. The waiver may not apply when the vessel is in certain territorial waters.

CHANGE OF STATEROOM

Guests desiring to transfer to higher-priced accommodations, which may be available during boarding or after sailing, may do so by paying – in cash, traveler's checks, Celebrity Signature Account or by credit card – the difference in published full cruise prices.

BOOKING A CRUISE

Travel agencies can provide valuable advice and services to individuals considering a cruise. Celebrity encourages you to book your Celebrity cruise through a travel agent of your choice who understands your individual needs. Any travel

agent used by the guest in connection with making arrangements for your Celebrity cruise, Air Accommodations, or any related travel, lodging and tours is the guest's agent. Celebrity is not responsible for any failure by the guest's travel agent to remit the guest's deposits or payments to Celebrity, and the guest shall remain liable to Celebrity for any portion of the cruise or related fares that Celebrity did not receive. Similarly, Celebrity is not responsible for any failure by the guest's travel agency to remit a refund from Celebrity to the guest.

GROUP TRAVEL

The terms and conditions set forth in this brochure, in general, apply to persons traveling as part of a group booking. However, some policies, such as deposits, payments, cancellations and other matters, set forth in this brochure do not apply to group bookings. Consult your travel agent for more details.

LIABILITY

Celebrity's Liability

Guests release Celebrity from any and all claims for loss or damage to baggage or property, or for personal injuries or death, or for loss from delay, arising out of the acts, omissions or negligence of any independent contractors, such as air carriers, hotels, shore providers, restaurateurs, transportation providers, medical personnel, or other providers of services or facilities. Under no circumstances does Celebrity's responsibility extend beyond the vessel. All arrangements made for the guest with independent contractors are made solely for the convenience of the guest and are at the guest's risk. Celebrity disclaims all liability for damages for emotional distress, mental suffering or psychological injury of any kind, under any circumstances, except to the extent such disclaimer is prohibited by 46U.S.C.A4183c.(b).

Guest Liability

Each guest agrees to indemnify Celebrity for all penalties, fines, charges, losses or expenses incurred or imposed upon Celebrity by virtue of any act, omission or violation of law by the guest. Each guest, or if a minor, his or her parent or guardian, shall be liable to and shall reimburse Celebrity for all damage to the ship and its furnishings and equipment, or any property of the ship, caused by any willful or negligent act or omission on the part of the guest.

MEDICAL CONDITIONS AND SERVICES

Celebrity welcomes guests with disabilities and special needs and works hard to assist them throughout their vacation. To receive appropriate assistance, you must notify Celebrity's Access Department in writing at the time of your booking of any physical or mental illness, disability or other condition that may require or make advisable special accommodations. Celebrity should be advised of the use of a wheelchair or medical treatment that may be used onboard. If a condition arises after the booking is requested, you must notify Celebrity immediately. Contact the Access Department at 866-592-7225, e-mail special_needs@celebrity.com or fax 954-628-9622.

All guests must ensure that they are medically and physically fit for travel and that such traveling will not endanger themselves or others. Guests with special needs should be self-sufficient, and Celebrity recommends that they travel with a companion to provide any required assistance. Guests with medical concerns are advised to check with their physician before sailing. Tendering may preclude guests from going ashore at certain ports of call.

Wheelchair-Accessible Staterooms

All Celebrity vessels except Celebrity Xpedition have accessible staterooms available in many different categories, both inside and outside. Accessible staterooms offer wider doors (at least 32 inches wide) to enter the stateroom as well as the bathroom. Both the stateroom and bathroom are large enough to allow someone in a wheelchair to make a full circle (5 foot radius) without difficulty. The bathroom has a roll-in shower, grab bars, fold-down shower bench, a raised toilet and a lowered sink. Most Celebrity staterooms, including accessible staterooms, have or can be equipped with refrigerators that can be used to store medications that must be kept cold.

Oxygen

Guests dependent on oxygen, or who may need to utilize oxygen anytime during the course of the cruise, would need to bring their own oxygen onboard or make arrangements with an outside vendor to deliver enough oxygen onboard the ship for the guest to last for the duration of the guest's vacation. You must notify Celebrity's Access Department in writing, via fax at 954-628-9622 or via e-mail at special_needs@celebrity.com with the type of oxygen and quantity of oxygen coming onboard either by the guest or the outside vendor. Consult your travel agent for details.

Pregnancy

Celebrity welcomes guests who are pregnant but will not accept guests who have entered their 24th week of pregnancy by the beginning of, or at any time during, their cruise vacation.

Infants

Infants sailing on a cruise must be at least 6 months old as of the first day of the cruise. To view the full list of cruises for which the requirement applies, please visit www.celebritycruises.com/infants.

Any cruisetours associated with these cruises are also subject to the minimum age requirement. Denial of boarding for infants who do not satisfy these minimum age requirements may also result in the denial of boarding for one or more guests sailing with that infant. No refunds or other compensation shall be due from the cruise line to anyone as a result of the denial of boarding to an underage infant or other accompanying guests.

Onboard Physicians

Each Celebrity vessel is equipped with a medical facility. At least one licensed physician and two nurses are normally in attendance. Limited medical services and medications are available for a fee. The types of medications kept onboard are limited, and guests must bring an adequate supply of any specific medications they need. The medical facility is not intended or designed to serve as a clinic for guests and Celebrity is not responsible for the diagnosis, treatment or services furnished by shipboard medical personnel, who are independent contractors.

PASSAGE TICKET CONTRACT

The transportation of guests and baggage on Celebrity ships is governed by the terms and conditions of the Cruise Ticket Contract included as part of the cruise documentation. The Cruise Ticket Contract limits your rights. Among other things, the Cruise Ticket Contract sets forth limitations on the time frames in which claims may be made and suits may be filed against Celebrity.

It is important that you carefully read all of the terms and conditions of the Cruise Ticket Contract, paying particular attention to Sections 11 and 12.

NOTE: *A Cruise Ticket contract must be signed by each guest prior to boarding. (Copies are available upon request and are also available online at celebritycruises.com.)*

The terms and conditions set forth in this brochure shall also apply. Any and all information contained in this brochure, including prices and terms and conditions, is subject to change at any time without notice. In the event of any conflict between (on the one hand) the terms and conditions of this brochure, any advertisements or offers related to a Celebrity cruise, or any oral or written representation of any Celebrity representative and (on the other hand) the Cruise Ticket Contract, the terms of the Cruise Ticket Contract shall govern.

PERSONAL PROPERTY/VALUABLES

Under no circumstances may dangerous articles, such as controlled substances, firearms, explosives, or cylinders containing compressed air or combustible substances, etc., be contained in any baggage or brought by any person onboard. Celebrity and Royal Celebrity Tours reserve the right to refuse to permit any guest to take onboard any items Celebrity or Royal Celebrity Tours deems inappropriate. No animals are permitted onboard (with the exception of service animals for guests with disabilities).

Property lost or damaged should be reported to either the Guest Relations Desk or a designated Celebrity employee prior to leaving the U.S. Customs area. In any event, property lost or damaged must be reported within the time limitations and in accordance with the procedures set forth in the Cruise Ticket Contract. In the absence of negligence on its part, neither Celebrity nor Royal Celebrity Tours is responsible for any loss, theft, pilferage and/or damage to a guest's property, which includes items such as money, travel currency, jewelry of any kind, photographic/electronic equipment or other personal property. Celebrity's and Royal Celebrity Tours' liability for loss or damage to property shall be limited to $300 USD per guest and otherwise in accordance with the provisions in the Cruise Ticket Contract. Safes are available in every stateroom. Please refer to the Cruise Ticket Contract for further information. The CruiseCare® Vacation Protection Plan offers personal property protection. Consult your travel agent for details.

REFUSAL OF BOOKING REQUEST OR PASSAGE

We are delighted to have provided safe and enjoyable cruises for our guests over the years. To facilitate our ability to continue to provide safe and enjoyable cruises to our guests, we reserve the right to refuse to accept a booking request from an individual or group and reserve the right to cancel an existing reservation. For more details, see our Refusal to Transport Policy and Guest Conduct Policy, both of which are available online at celebritycruises.com. The Refusal to Transport Policy provides, among other things, that a booking request may be denied, for example, where the guest's conduct on a prior cruise has resulted in disciplinary measures by Celebrity Cruises, Royal Caribbean International® or any other affiliated cruise line.

Celebrity is not liable for its refusal to transport any passenger or for its removal of any guest in accordance with these policies. In addition, Celebrity shall not be required to refund any amount paid by any guest who must leave the cruise vacation prematurely pursuant to either policy, nor shall Celebrity be responsible for lodging, meals, return transportation or other expenses incurred by the guest or for any consequential or punitive damages.

Any dispute between a guest and Celebrity in connection with a guest's cruise booking or cruise shall be litigated, if at all, in and before a court located in Miami, Florida, U.S.A., to the exclusion of the courts of any other state, territory or country.

SHORE EXCURSIONS

Celebrity makes arrangements for transportation, lodging and/or excursions and tours, other than ocean passage, only as a booking agent. Celebrity's responsibility does not extend beyond the ship. In arranging for the transportation of guests to and from the ship, for lodging and/or excursions and/or tours, Celebrity does so with independent contractors. Celebrity is not responsible for incidents such as cancellations, re-routings, delays, accidents, injuries or losses sustained while guests are ashore, whether on organized excursions or otherwise. Please see separate shore excursion brochure for details and contractual conditions.

Deposits/Cancellations and Refunds for Excursions

Our deposit and refund policies for shore excursions vary. Please consult your travel agent for details.

UNACCOMPANIED MINORS

Guests under the age of 21 must be booked in a stateroom with an adult who is 21 years or older. A parent or legal guardian must accompany guests under the age of 18 and must be booked in the same stateroom. Acceptable proof may be required. These age restrictions will be waived for minor children sailing with their parents or guardians in adjacent staterooms.
