*Experience  
the allure  
of a  
collaborative  
vision.*

— *A* floating masterpiece crafted by world-class architects, designers, and stylists.

Design is more than something you see, it's an approach that engages you on every level.

— *The Solstice Class of ships represents what is possible when designers are given free rein to explore the possibilities.*

Size alone doesn't even begin to capture the enormity of Solstice Class's introduction. These magnificent ships represent a triumph of design and a graceful union of water, earth, ice, and sky, the result of our collaboration with a team of world-class architects, designers, and stylists.

Abundant natural light dramatically invigorates carefully chosen color palettes, while expansive open areas invite the sounds and fragrances of the sea breezes and the warmth of the sunshine. Textures and details like soft leather, sparkling glass, reflective stone, and hand-carved wood catch the eye at every turn. And everywhere the sounds of delight rise to meet you — from the playful splash of fountains synchronized to music on the Pool Deck to the tangible excitement emanating from Fortunes Casino and Quasar, our electrifying new nightclub, one of many scintillating new nightlife venues that complement a fresh take on some old favorites. With each sensation you encounter, the ship feels more and more like home.

### *The Power of Design*

**Francis Design** - infused its experience in crafting memorable luxury yachts into the distinct silhouette of the Solstice Class of ships.

**Tihany Design** - has shaped world-class dining experiences like Per Se and Aureole, and now applies this knowledge to articulate the vision for some of our new picturesque restaurants.

**5+ Design** - inspired by the luxurious array of choices offered in world-class resorts, designed Celebrity Solstice's two level retail arcade, which offers an exciting entrée to the Galleria Boutique, Fortunes Casino, the Art Gallery and Galleria Tastings.

**BG Studio International** - their signature Urbane Simplicity™ interiors are featured on Celebrity Solstice in several of our intimately sophisticated settings, including Cellar Masters, Passport Bar, Ensemble Lounge, Michael's Club and Murano.

**RTKL** — has created some of the world's most aesthetically pleasing environments, with an eye toward the kind of soothing comfort you'll find in our spas, fitness centers, and staterooms.

**Wilson Butler & Associates** - experts in captivating design of public spaces, WBA continues to provide Celebrity with fresh vision: the firm's ship-wide architecture includes another exciting shipboard first, The Lawn Club, as well as the Greek Isles-inspired Pool Deck and Solarium, the whimsical Main Theater, the high tech Celebrity Central TV Studio and the casually chic Bistro on Five.

*The* Lawn Club is just one of the many “firsts” found on Solstice Class.

*— Feel the soft grass gently give way to each footstep, as the breeze conveys an evocative aroma never before experienced at sea.*

No ships at sea satisfy the soul while capturing the imagination as vividly as Solstice Class. And nothing anywhere matches The Lawn Club for pure drama. We invite you to stroll across this expanse of pure innovation. It is a dream inspired by the blissful sensations of a barefoot walk amid the fresh morning dew and brought to life by a team of turf and soil scientists, irrigation specialists, and landscape architects. The refined setting is reminiscent of a country club, offering a casually sophisticated environment where you can practice putting, partake in the pleasures of an afternoon bocce tournament, or just breathe in the fragrance of a freshly manicured lawn.

Greet the day with a luscious coffee drink served at the Patio on the Lawn or make a statement as stylish as the view that surrounds by commemorating your visit to this one-of-a-kind scene with a purchase from The Lawn Club Shop. As evening falls, witness the spectacle of molten glass being transformed into art at the adjacent Hot Glass Show<sup>SM</sup>, another ocean-going first fashioned through a unique collaboration with the Corning Museum of Glass. Or settle in at the Sunset Bar, watching as the sun slowly makes its way toward the sea and listening to the distinctive clink of ice cubes rattling around in glasses. Close your eyes and imagine the sound reverberating across the lawn and out over the open ocean.

There is heaven on earth. Onboard Solstice Class, you're invited to discover heaven at sea.

*Inspired by land,  
elevated at sea.*

*— Solstice Class transforms the dreams of our childhood  
into the pleasures of the voyage.*

*The warmth of a personal touch.*

The sense of personalization creates the sense that you've truly arrived.

— *How our Five Leading Ladies have changed the way you'll travel.*

The redesigned, more expansive staterooms and suites onboard Solstice Class aren't merely accommodations, they are alluring oases created to accommodate your desires. Your first step into your personal retreat will evoke a distinctive feeling of "ahhh," but more importantly a feeling of gratitude for five very special women, our Five Leading Ladies. These five discerning travel connoisseurs — a frequent cruiser, a travel agent, a travel writer, a potential cruiser, and a hotelier — contributed intuitive ideas about comfort, as well as their own personal wish lists, to the design of our staterooms. Their input inspired an environment where you'll feel truly pampered — one that closely reflects who you are and how you love to travel. Each represents a triumph of design, but also the sum of numerous thoughtfully considered details, which will feel like home from the moment you arrive.

*A Smarter Design*

**Modular closets** - maximized storage space that accommodates clothing of different lengths.

**Under-bed storage space** - increased bed heights to create even more storage space.

**Interlocking staterooms** - adjoining staterooms are connected via a vestibule created by adding a corridor door beyond the private stateroom doors. Verandas can even be connected by opening the veranda divider.

**Larger staterooms and bathrooms** - 15% larger, on average, as compared to other Celebrity ships, with glass showers that have special rails for easier leg shaving. All suites and AquaClass<sup>SM</sup> staterooms also feature fog-free mirrors.

**Roll-out trundles** - increased comfort and versatility for triples and quads, with pullmans in some rooms.

**Personal niceties** - each stateroom has a 32" flat-screen TV, and each nightstand has its own reading light.

**Expanded safes** - large enough to hold oversize handbags and standard laptops.

of discovery.

— Where the romance of yesterday  
meets the promise of tomorrow.

Make no mistake, a voyage to Europe is a trip back in time — with early settlements like Alexandria, Athens, and Ephesus that offer a glimpse into the beginning of recorded civilization. But to see this region only for its past is to overlook its greatest treasures. There are cities that display their present as proudly as their past, such as Rome and Paris. And amazing places like Barcelona, which has embraced contemporary life in a way that exemplifies today's Europe.

## PREPARING FOR YOUR CELEBRITY CRUISE OR CRUISETOUR

### Air Arrangements

#### Air Arrangements through Celebrity

**When you purchase Air Arrangements through Celebrity Cruises®, you can expect the following:**

- Round-trip air transportation to and from the port of embarkation and debarkation;
- Airport greeting: You will be met at the airport by a Celebrity representative who will escort you to your ground transportation vehicle;
- Ground transportation from your arrival airport to the pier and from the pier to your departure airport; and
- Baggage handling from the plane to the ship and back.

#### When making your air travel bookings with Celebrity, you can expect:

- Common flight arrangements for guests staying in the same stateroom, so long as guests are booked at the same time, for travel from the same gateway city (based on airline availability);
- In most cases, no more than one connection from your gateway city;
- E-tickets are available for your convenience for selected carriers;
- To obtain your flight itineraries as much as 60 days prior to cruise departure. For flight itineraries, call Reservations.
- Delivery of cruise documents either electronically or via mail to your travel agency.

Generally, air transportation will be arranged to allow for same-day departure. However, guests may be required to travel on red-eye flights or arrive up to two days before sailing. Guests may be required to make connections with different airlines. Your flight may require that you make connections or stops en route to your final destination. Celebrity reserves the right to select the carrier, flights, routes and layover city (if any).

Alternate airports may be used for various departure ports, e.g., Ft. Lauderdale or Miami; Newark, LaGuardia or JFK; Seattle or Vancouver.

Typically, your flights will be confirmed by Celebrity 60 days prior to the date of departure of your flight. Guests are advised to reconfirm flights and times within 48 hours of departure directly with the assigned air carrier. Celebrity is not responsible for seat assignments, special meal requests, frequent flier information or other similar airline-related policies. The guest, or travel agent, must handle these matters directly with the airline.

Confirm the existing flight arrangements to “lock in” an assigned air itinerary prior to ticketing with no charge. This feature enables you to ensure your assigned flight itinerary does not change prior to ticketing except in the event of an airline schedule change. Unless you confirm existing flights before ticketing, the flight itinerary is subject to change. You do not need to go through Custom Air and pay a service fee to keep your existing flights. Upon reviewing your flights and prior to ticketing, send an e-mail to [confirmyair@celebrity.com](mailto:confirmyair@celebrity.com) with the booking reservation and request to confirm existing flights.

Review the spelling of names and correct any misspellings prior to ticketing. Incorrect spelling of a guest’s name must be corrected prior to ticketing (49 days prior to sailing). Please verify and correct the spelling – prior to receiving documents – to avoid airline re-ticketing charges. Names used for air tickets are the same as those shown in our cruise reservation system and should match the guest’s form of identification used at check-in, e.g., passport.

### Transfer Program

When purchasing air transportation through Celebrity Cruises, the ground transportation between the airport and the ship is included. Should you purchase a hotel package with your cruise and air, your transportation is included between the airport, hotel and ship. If you choose to make your own air travel arrangements, you may wish to purchase the Celebrity Cruises transfer to the ship. If you buy a Celebrity Cruises transfer, we’ll meet you outside the customs area after you have collected your luggage and show you to our transfer bus. When reserving this service, please remember we need your flight arrival information to meet you. Please consult your travel agent for complete details. For cruise-tour-only guests, most transfers are included.

### Flight Restrictions

Celebrity uses commercial airlines, as well as commuter and/or charter air service. The airline tickets acquired by Celebrity are highly restrictive. The airlines providing your transportation may limit your ability to reissue, exchange or make changes to your air tickets. All airline tickets are the property of Celebrity Cruises and must be returned and are refundable only to Celebrity Cruises. Any unused flight coupons must be returned to Celebrity Cruises. Some airlines do not provide reserved seating or award frequent flier miles for an Air Arrangements or Custom Air flight. Penalties or fees for changes to air transportation booked through Celebrity may result in additional fees or charges which must be paid by the guest. Such change may also result in a different fare that must be paid by the guest. Cancellation of any Air Arrangements booking within 60 days prior to sailing (90 days for holiday sailings) will result in a cancellation charge of as much as 100% of the air charge. Consult your travel agent for details.

### Air Fees, Taxes and Surcharges

Our combination air/cruise rate does not include any applicable airport departure or facilities fees or other taxes/fees/surcharges assessed by domestic or foreign governmental or quasi-governmental agencies (“Air Taxes and Fees”) for your flight(s) nor do those rates include any applicable fuel, security or other surcharges that may be assessed by the airline and/or the airport. Celebrity Cruises will assess either the exact amount of any applicable Air Taxes and Fees and/or Fuel, Security or Other Surcharges or an estimated amount as described below. In all cases, the amounts assessed will be added to your cruise fare and air travel rates to calculate the amount of the deposit(s) you owe or the amount of your final payment. The amounts assessed are subject to change at any time whether you have a confirmed booking under deposit or have made final payment. In lieu of assessing the exact amount of the Air Taxes and Fees and/or Fuel, Security or Other Surcharges applicable to your flights, we reserve the right to charge an estimated amount as follows: Air Taxes and Fees and/or Fuel, Security or Other Surcharges may vary by gateway city and routing. We may estimate any of these fees based on your expected gateway city and/or charge an averaged amount. Accordingly, your actual charge for air taxes & fees and/or fuel, security, or other surcharges may be higher or lower; refunds will not be made if the actual air taxes and fees and/or fuel security or other surcharges are lower than estimated.

Some countries require you to pay departure tax, which is not included in your airline ticket. You are responsible for this tax. Please verify any applicable tax for which you may be responsible.

### Custom Air

Celebrity Cruises’ Custom Air Department can handle special requests, including:

- Booking guests who wish to be sure that they will travel together;

- Booking premium-class air seats on your preferred carrier;
- Booking your preferred schedule and/or airline;
- Extended stays or early/late flight schedules before or after your cruise vacation;
- Booking air arrangements from a gateway not offered in the brochure;
- Booking air arrangements when the gateway is closed on your sailing date, where air is available;
- Locking in or changing assigned flight itineraries prior to cruise departure; and
- Competitively priced business-class upgrades.

Custom Air may not be available less than seven days prior to sailing date for domestic travel or 35 days for all group requests and international travel. For Custom Air requests fulfilled and accepted, there will be a \$50 USD per-person nonrefundable service charge for domestic/North American destination sailings and a \$75 USD per-person service charge for European and South American destination sailings. Additional airfare costs may be applied. Any changes to a Custom Air request must be made through the Custom Air Department. These changes may be subject to additional fees.

In the event of airline schedule changes, it may be necessary to rebook Custom Air flights. Additional charges may apply.

To contact Celebrity Cruises’ Custom Air Call Center, please call 877-202-2240 or e-mail us at [customair@celebrity.com](mailto:customair@celebrity.com). The Call Center is open Monday through Friday from 9:00 a.m. to 8:00 p.m. EST, and Saturday and Sunday from 9:00 a.m. to 5:00 p.m. EST, except holidays.

### Air Transportation on Your Own

Should you choose to make your own air transportation arrangements, Celebrity will not be responsible for a hotel arrangement nor will the ship be able to welcome you earlier than the scheduled boarding time. For back-to-back cruises: consult your travel agent or Custom Air Department for complete details.

### Baggage

Each adult passenger is permitted to carry up to two hundred pounds (200 lbs) of luggage aboard the vessel and on a Europe cruisetour, however, for your comfort and convenience it is recommended that you limit the number of pieces you take. Air Arrangements Program guests are usually allowed two pieces of checked luggage (not including oversized bags and sports equipment, such as golf bags, water skis, scuba equipment, etc.) and a carry-on bag. In addition, many airlines impose surcharges for baggage that exceeds a certain weight limit or that exceeds a certain quantity. Check with your carrier for specific instructions.

**IMPORTANT NOTE:** *Remember to bring along an overnight bag for your last night at sea. Your stateroom attendant will collect your baggage the night before departing, and you will need a bag in which to carry off your night clothes, toiletries and valuable items.*

### Clothing

You will need three types of clothing on your Celebrity cruise: 1) casual shipboard attire or day wear; 2) informal evening wear; and 3) formal evening wear. Day wear includes slacks or pants, blouses or shirts and knit tops or polo shirts. For cooler days or evenings, pack a sweater and a lightweight windbreaker. Bring a pair of sneakers or rubber-soled shoes for deck sports and a swimsuit cover-up for cool areas on the ship.

Clothing recommendations for those guests traveling on a cruisetour are similar.

Evening wear should be planned for according to the following evening dress schedule:

CRUISE LENGTH	CASUAL	INFORMAL	FORMAL
4-night	2	1	1
5-night	2	2	1
6-night	2	2	2
7-night	3	2	2

12-night	6	3	3
13-night	7	3	3

### What Not To Pack

For the safety of our guests, the following items are not allowed onboard: irons, coffeemakers, candles, illegal drugs, flammable liquids, explosives (such as fireworks), and electrical transformers.

### Vacation Protection

Because our liability for loss or damage is limited by the Cruise Ticket Contract, we recommend that all guests check their own insurance coverage before departure. For greater peace of mind, we offer the Celebrity CruiseCare® Vacation Protection Program.

### Celebrity CruiseCare®

We want this to be the best vacation of your life. So to make sure you have nothing to think about except having a good time, we offer the CruiseCare package of benefits:

### CruiseCare Cancellation Penalty Waiver Program

If your plans go awry and you cancel – or interrupt – your cruise vacation (for specified reasons), Celebrity Cruises will waive the nonrefundable cancellation provision of your Cruise Ticket Contract and pay you IN CASH the value of the unused portion of your prepaid cruise vacation.

In addition, should you or your traveling companion need to cancel for “any other reason,” you may be eligible for CRUISE CREDITS – up to 75% of the nonrefundable, prepaid cruise vacation cost. Brought to you by Celebrity Cruises\*.

*\*For NY residents, the CruiseCare Cancellation Penalty Waiver Program is underwritten by Stonebridge Casualty Insurance Company.*

### CruiseCare Travel Insurance Program

CruiseCare provides cancellation and interruption coverage for independently booked air, as well as coverages to protect you during your covered trip, as follows:

- Trip Cancellation for Independently Booked Air-up to total original airfare cost.
- Trip Interruption for Independently Booked Air-up to 150% of total original airfare cost.
- Trip Delay-up to \$500: If you miss the departure of your trip due to carrier-caused delays or other covered reasons, CruiseCare Travel Insurance reimburses you for additional accommodations, meals and “catch-up” transportation expenses.
- Baggage Protection-If your baggage or personal property is lost, stolen or damaged, CruiseCare Travel Insurance will cover up to \$1,500. If your bags are delayed or misdirected for more than 24 hours, CruiseCare Travel Insurance will reimburse you up to \$500 for the purchase of necessary personal items.
- Medical Expenses-up to \$10,000: Should you become injured or sick during your vacation, CruiseCare Travel Insurance will reimburse you for necessary medical expenses for up to one year from the date of your accident or illness. This coverage is especially important, as Medicare and many private insurance policies generally do not cover you outside of the U.S. or Canada, and many HMOs do not cover you outside their provider area.
- Emergency Evacuation-up to \$25,000: In the event that a covered illness or injury requires air or ground transportation to a specialized facility or to return home, CruiseCare Travel Insurance provides for covered medical services and supplies (coordinated by our 24-hour assistance provider to help ensure your safe transport).

*Underwritten by Stonebridge Casualty Insurance Company, Columbus, Ohio, under policy number(s): MZ0911036H0000A or MZ0911008H0000A.*

### CruiseCare Worldwide Emergency Assistance

### Necessary Documentation

#### Cruise/Cruisetour Documents

Guests’ cruise/cruisetour documents provide information relevant to the sailing. Normally, documents will be received by the travel agent 20–50 days prior to sailing, assuming cruise elements are finalized and payments made. Group and Air/Sea documents require additional steps and will normally be received by the travel agent within 30 days of sailing.

Documentation for some bookings will be provided electronically via the Internet (eDocs) for travel agency access. An additional production and shipping fee is required for cruise document reprinting.

Documents may not be provided in advance for bookings finalized the week of sailing – guest will obtain pertinent details at the pier prior to boarding and on board the ship. Regardless of document status, no one will be allowed passage unless his or her name appears on the ship’s guest manifest. All cruise/cruisetour tickets and Air Arrangements are valid only for the named passenger and may not be sold or transferred.

#### Guest Embarkation Forms

In order to make your boarding process as simple as possible, we offer an online method for providing information we need before you can embark on the vessel. Just visit [celebritycruises.com](http://celebritycruises.com) to fill out your embarkation forms. For guests who do not provide the information online, embarkation forms will automatically be included with your cruise documents. Please fill out these forms before you leave.

NOTE: *Applicable laws and regulations may require Celebrity to collect and pass on to governmental and other authorized bodies certain personal and other details related to you. If you fail to supply the details requested fully and accurately, you may not be permitted to board the ship or your flight. If, as a result of your failure to comply with the foregoing, Celebrity incurs any fines, surcharges or other financial penalty, you will be responsible for reimbursing us accordingly.*

Make sure you have the proper forms of identification needed for your particular trip. Give yourself plenty of time to obtain or renew your passport, if necessary.

#### Inoculations and Health Requirements

Your travel itinerary may take you to destinations that require certain immunizations or inoculations, or impose other health-related requirements. For example, if your cruise takes you to Brazil, you may not need any immunization documents if you boarded the cruise in, for example, the United States. However, if you joined the cruise in, for example, Venezuela, the Brazilian government may require proof of Yellow Fever inoculation before you would be allowed to disembark in Brazil. These requirements may apply if you intend to disembark at the various ports of call but may also apply for any air travel you have planned or for entry into various countries or re-entry into your country of origin.

#### Travel Documents and Identification

##### Passport Laws

U.S. citizens traveling between the U.S. and Canada, Mexico, the Caribbean, and Bermuda by land or sea (including ferries), may require a valid passport or other documents as determined by the Department of Homeland Security. U.S. and Canadian citizens 15 years or younger with their parents' consent may cross the U.S./Canadian border by land or sea with a certified copy of their birth certificate. Valid passports for air travel are already required.

Expired passports cannot be used. U.S. citizens carrying an "Official" (maroon cover) passport must also be in possession of a valid Personal (blue or green cover) passport to allow vessel embarkation.

If guests are legal residents of the United States but are not citizens, they must show either their Temporary Residency card or their Alien Registration (green) card (Form I-551) prior to boarding.

All non-United States citizens must bring a valid passport and may be required to show a valid visa based on their travel/cruise itinerary.

All Canadian Landed Immigrants (inclusive of those who are citizens of the British Commonwealth countries) who reside in Canada must have a valid passport and U.S. visas (when appropriate) when entering the United States. Also required is the original copy of your Permanent Resident Card (PR Card, formally the IMM 1000) or with respect to any country on the itinerary, any other travel documentation required because of alien status.

Consult your travel counselor, the consulates of the countries on your travel/cruise itinerary or the passport/visa service of your choice.

U.S. Citizens: For information on obtaining or renewing a passport, visit the State Department's website [http://www.travel.state.gov/travel/cbpmc/cbpmc\\_2223.html](http://www.travel.state.gov/travel/cbpmc/cbpmc_2223.html) or if you so choose, contact the passport service of your choice.

NOTE: *We recommend your passport expire no sooner than six months following the disembarkation date (return date) of your voyage.*

#### Why Is Having the Required Documentation Important?

Guests who do not possess the proper documentation may be prevented from boarding their flight or ship, or from disembarking or entering a country, and may be subject to fines. If, as a result of your lack of proper documentation, a fine or other cost is incurred by Celebrity Cruises, you agree to indemnify Celebrity Cruises for such expenses. It is the sole responsibility of the guest to identify all travel, inoculation and health requirements and obtain and have available, when necessary, the appropriate valid travel documents, such as passports and visas; inoculation documents, such as Yellow Fever certificates; and other health requirements.

NOTE: *No refunds will be given to individuals who fail to bring proper documentation.*

*Please check with a travel agent, government agencies, embassies, consulates, your physician, local health departments, the Centers for Disease Control and Prevention (www.cdc.gov) or the Department of State General Visa Information at 202-663-1225 to determine travel and health documentary requirements.*

Guests under the age of 16 who wish to go ashore unaccompanied will be required to have a consenting parent, guardian or other responsible adult with them at the gangway to provide their signature as authorization.

### DURING YOUR CRUISE

#### Boarding

Boarding can be as early as 11:00AM, but varies by sailing - see your cruise documents for more information. Boarding times may vary by ship. It is the guest's responsibility to arrive on time. Please check with your travel agent to confirm boarding and departure times. Individual ticketed reservations will be held as late as 60 minutes before the vessel's scheduled departure without risk of automatic cancellation. Failure to check in at least 60 minutes in advance will constitute a no-show. Your booking will be canceled and cancellation charges will be assessed.

NOTE: *For security reasons, guests are not allowed to bring visitors onboard Celebrity vessels in any port.*

If your flight is delayed and you have opted for the CruiseCare<sup>®</sup> Vacation Protection Plan, you'll be reimbursed up to \$500 (U.S. dollars) to cover accommodations, meals and "catch-up" transportation as long as the airline delay was caused by covered reasons. Otherwise, you are responsible for any expense incurred to meet the ship at its next port of call, including government fees.

#### Porterage

For your convenience, porters are normally available at the airport and at the pier to take your baggage from curbside to your ship. Remember to keep your valuables and fragile items with you. Movement of baggage while on the land portion of a cruisetour is inclusive of the cruisetour price.

#### Customs

Detailed instructions about clearing customs will be provided by the Cruise Director during the departing talk on the last day of the cruise. We highly recommend that you attend this important and informative talk.

Certain governments impose fines or other charges when a guest permanently disembarks from a cruise before its final port of call. The guest will be responsible for those charges.

#### Cruisetour Accommodations

Hotel rooms on cruisetours accommodate the same number of people as the guest's shipboard stateroom. Guests booked as triples or quads on the cruise portion of a cruisetour will be booked as triple or quad hotel rooms in hotels on the land portion of the cruisetour.

Celebrity endeavors to provide reasonable protection for your comfort and safety onboard Celebrity's vessels. However, Celebrity cannot guarantee freedom from all risks associated with crime, war, terrorism or other risks. Government agencies in a number of countries, such as the U.S. Department of State, regularly issue advisories and warnings to travelers regarding certain destinations. We strongly recommend that our guests and their travel agents obtain and consider such information when making travel decisions.

### TERMS AND CONDITIONS

#### Advanced or Delayed Sailing/Itinerary Changes

In the event of strikes, lockouts, riots, weather conditions, mechanical difficulties or for any other reason whatsoever, Celebrity may, at any time and without prior notice, cancel, advance, postpone or deviate from any scheduled sailing or port of call, and may, but is not obliged to, substitute another vessel or port of call, and shall not be liable for any loss whatsoever to guests by reason of such cancellation, advancement, postponement, deviation or substitution. Celebrity shall not be responsible for any failure to adhere to the arrival and departure times published in this brochure for any of its ports of call. For questions regarding itinerary changes due to weather or other current events, please log on to [celebritycruises.com](http://celebritycruises.com) or call our customer relations department at 800-437-3111.

While every effort will be made to adhere to the specifics shown herein for a cruise/cruisetour, circumstances may necessitate changes or deviations therefrom. All schedules, itinerary destinations, hours of arrival and departure, hotel and/or conveyances, and other aspects of cruise/ cruisetour programs are subject to change without prior notice. Neither Celebrity nor any affiliated party shall be required to refund any portion of fare or other charges or make any compensation under these circumstances.

#### Alcoholic Beverages

The minimum drinking age for all alcoholic beverages on all Celebrity ships is 21.

- However, on ships in Europe, South America and Australia, where the legal drinking age is lower than 21, a parent who is sailing with his or her son(s) and/ or daughter(s) who is between the ages of 18-and-20, may sign a waiver allowing the 18-to-20 year old to consume alcoholic beverages.

- The 18-to-20 year old must agree to comply with Celebrity's policies, including among other things, agreeing to not provide alcoholic beverages to any other person, regardless of age. Restrictions apply, and this policy is subject to change without notice.

- An individual's age on the date of sailing determines his or her status for the entire cruise vacation.

- Guests are not allowed to bring beer or hard liquor onboard for consumption or any other use. Guests wishing to bring personal wine onboard with them at the beginning of the cruise may do so, limited to two (2) bottles per stateroom, but when consumed in any shipboard restaurant, bar or dining venue, each bottle shall be subject to a corkage fee of \$25.00. If a guest receives a bottle of wine (in their stateroom) from a family member of friend, and that bottle(s) was purchased from our Bon Voyage Gift selection, then no corkage fee will apply if they wish to consume the bottle in the dining room or any other public area. If a guest receives a bottle from an outside vendor and/or travel agent, and the bottle was not purchased through our Bon Voyage selection, then a \$25.00 corkage fee per bottle will apply if they wish to consume the wine in the dining room or any other public area. The fee will be applied to the guest's onboard account.

- Alcoholic beverages that are purchased in ports of call or from onboard shops will be stored by the ship and delivered to guest staterooms on the last day of the sailing. Security may inspect containers (water bottles, soda bottles, mouthwash, luggage, etc.) and will dispose of containers holding alcohol. Celebrity's Guest Conduct Policy may be enforced, up to and including disembarkation, if a guest violates any alcohol policy. Guests under the age of 21 will not have alcohol returned to them.

- Guests who violate any alcohol policies (over-consume, provide alcohol to people under age 21, demonstrate irresponsible behavior, or attempt to conceal alcoholic items at security and/or luggage check points or any other time) may be disembarked or not allowed to board, at their own expense, in accordance with our Guest Conduct Policy.

- Celebrity reserves the right to revoke or otherwise restrict drinking privileges of any guest, regardless of age. Even if all criteria are met, shipboard personnel may elect, and have the option to, not grant the waiver or any such drinking privileges. The waiver may not apply when the vessel is in certain territorial waters.

### Change of Stateroom

Guests desiring to transfer to higher-priced accommodations, which may be available during boarding or after sailing, may do so by paying – in cash, traveler's checks, Celebrity Signature Account or by credit card – the difference in published full cruise prices.

### Booking a Cruise

Travel agencies can provide valuable advice and services to individuals considering a cruise. Celebrity encourages you to book your Celebrity cruise through a travel agent of your choice who understands your individual needs. Any travel agent used by the guest in connection with making arrangements for your Celebrity cruise, cruise-tour, Air Accommodations, or any related travel, lodging and tours is the guest's agent. Celebrity is not responsible for any failure by the guest's travel agent to remit the guest's deposits or payments to Celebrity, and the guest shall remain liable to Celebrity for any portion of the cruise or related fares that Celebrity did not receive. Similarly, Celebrity is not responsible for any failure by the guest's travel agency to remit a refund from Celebrity to the guest.

Some of these items may be purchased separately.

The cruise fares quoted also do not include any applicable government taxes, fees or surcharges that may be assessed by any governmental or quasi-governmental agencies. Such assessment is subject to change, without notice, at any time, whether or not you have a confirmed booking under deposit or if you have made final payment.

Celebrity reserves the right to change, whether via an increase or decrease, any published rates, including cruise rates and airfare charges, without prior notice. We reserve the right to impose on any existing booking or new bookings (whether paid in full or not) a supplement for fuel or other matters without prior notice as provided in our Passenger Ticket Contract which appears at <http://www.celebritycruises.com/CCICruiseTicketcontract.pdf>. In addition, we reserve the right to pass through any third party imposed fuel or other surcharges, also without prior notice. The guest will remain liable for any applicable taxes, fees or surcharges that may be assessed by any governmental or quasi-governmental agencies.

### Service Fees

Any changes or cancellations to your cruise/cruisetour or air arrangements (to which a cancellation charge does not apply) may be subject to additional fees, such as service fees for documents.

### Cruisetours

Transportation aboard the ship is provided solely by Celebrity Cruises. Royal Celebrity Tours Inc. or another affiliate or subsidiary of Celebrity (hereinafter "RCT") either provides all or part of the land portion of the cruisetours or will arrange for independent contractors to provide all or part of the land portion.

To the extent RCT makes arrangements with independent contractors, it does so only as a convenience to the guest. Those portions of the land tours that are performed by independent contractors are solely at your risk and subject to the terms or arrangements made by you

or on your behalf with the independent contractor. RCT assumes no responsibility with respect to the services provided by independent contractors (including cancellation, delay, injury, death or damage to property) even though RCT may collect monies or make bookings. Each guest agrees not to hold RCT or its agents or representatives liable for any loss, injury, expense or damage that results directly or indirectly from any act or omission of any independent contractor that provides any aspect of your land tour. RCT's liability for those portions of the land tour provided by RCT shall be as specified in the cruise ticket contract.

RCT is not responsible for any substitutions, deviations, variations or changes to the land tour portion; contact the independent contractor for information about their right to make such changes. Individual and group space are subject to availability, minimum participation and cancellation penalties. Blackout dates may apply. We regret that RCT cannot issue refunds for unused portions of your land tour.

### Cancellations by RCT

If RCT cancels a land tour, it will rebook guests on the same tour with a different departure date or a similar tour. All rebookings are subject to availability. If that tour is unacceptable, RCT will refund, to the extent it received payment, the value of the land tour calculated in accordance with RCT's standard methodology for handling such matters; there is no additional liability. RCT cannot assume responsibility for any additional costs or fees relating to the issuance and/or cancellation of air tickets or other travel arrangements not made through Celebrity.

### Tour Participation

RCT reserves the right to accept or reject any person as a land tour participant and to expel from a land tour any participant whose conduct is deemed incompatible with the interest of the tour group.

### Guests with Special Needs

The ability of the independent contractor to accommodate guests with special needs varies. You must be sure that you or your travel agent informs our Access Department in writing at the time of booking the cruisetour of any special medical or physical needs so that your special needs can be identified to the independent contractor. Neither RCT nor Celebrity shall be responsible for ensuring that any special needs are accommodated.

### Cruisetour Group Travel

It is important to note that unless your group has contracted a full tour group charter, you will be traveling with other guests who are not part of your group on the motorcoaches, traincars and in hotel properties.

### Hotel Check-In

Hotel/lodge rooms at most hotels will not be available for check-in until after 3:00 p.m. Please plan accordingly.

### Smoking

Except as may be provided by a specific independent operator, smoking is not allowed on motorcoaches, minibuses or traincars.

### Air Arrangements

If you are purchasing a nonrefundable air ticket, you should discuss with your travel agent or air carrier the difficulties associated with nonrefundable airfares. RCT cannot be held responsible for any change/cancellation penalties associated with these nonrefundable airfares.

### Group Travel

However, some policies, such as deposits, payments, cancellations and other matters, set forth in this brochure do not apply to group bookings. Consult your travel agent for more details.

### Liability

#### Celebrity's Liability

Guests release Celebrity from any and all claims for loss or damage to baggage or property, or for personal injuries or death, or for loss from delay, arising out of the acts, omissions or negligence of any independent contractors, such as air carriers, hotels, shore providers, restaurateurs, transportation providers, medical personnel, or other providers of services or facilities. Under no circumstances does Celebrity's responsibility extend beyond the vessel. All arrangements made for the guest with independent contractors are made solely for the convenience of the guest and are at the guest's risk. Celebrity disclaims all liability for damages for emotional distress, mental suffering or psychological injury of any kind, under any circumstances, except to the extent such disclaimer is prohibited by 46U.S.C.A.4183c.(b).

#### Guest Liability

Each guest agrees to indemnify Celebrity for all penalties, fines, charges, losses or expenses incurred or imposed upon Celebrity by virtue of any act, omission or violation of law by the guest. Each guest, or if a minor, his or her parent or guardian, shall be liable to and shall reimburse Celebrity for all damage to the ship and its furnishings and equipment, or any property of the ship, caused by any willful or negligent act or omission on the part of the guest.

### Medical Conditions and Services

Celebrity welcomes guests with disabilities and special needs and works hard to assist them throughout their vacation. To receive appropriate assistance, you must notify Celebrity's Access Department in writing at the time of your booking of any physical or mental illness, disability or other condition that may require or make advisable special accommodations or the use of a wheelchair, or medical treatment that might constitute a risk or danger to the guest or others onboard or that might render the guest unfit to travel. If such a condition arises after the booking is requested, you must notify Celebrity immediately. Contact Celebrity's Access Department in writing, via fax at 305-539-6666 or via e-mail at [special\\_needs@celebrity.com](mailto:special_needs@celebrity.com).

All guests must ensure that they are medically and physically fit for travel and that such traveling will not endanger themselves or others. Guests with special needs should be self-sufficient, and Celebrity recommends that they travel with a companion to provide any required assistance. Guests with medical concerns are advised to check with their physician before sailing. Tendering may preclude guests from going ashore at certain ports of call.

### Cruisetours

Guests requiring wheelchairs must provide their own or make arrangements for a wheelchair to be delivered at the beginning of the cruise vacation. Unfortunately, the land portion of the Europe cruisetours are not suited to persons who are full-time wheelchair users, as guests must be able to ascend three steps into a motorcoach and walk over uneven ground for extended distances.

### Wheelchair-Accessible Staterooms

All Celebrity vessels are wheelchair-accessible, and we have wheelchair-accessible staterooms available in many different categories both inside and outside. The wheelchair-accessible staterooms offer 32" doors to enter the stateroom as well as the bathroom. Both the stateroom and bathroom are large enough to allow someone in a wheelchair to make a full circle (5 ft. radius) without any difficulties. The bathroom has a roll-in shower, a fold-down shower stool, a raised toilet and a lowered sink. Most Celebrity staterooms, including the designated staterooms, have or can be equipped with refrigerators that can be used to store medications that must be kept cold. Contact our Access Department in writing via fax at 305-539-6666 or e-mail at [special\\_needs@celebrity.com](mailto:special_needs@celebrity.com).

### Oxygen

Guests dependent on oxygen, or who may need to utilize oxygen anytime during the course of the cruise, would need to bring their own oxygen onboard or make arrangements with an outside vendor to deliver enough oxygen onboard the ship for the guest to last for the duration of the guest's vacation. You must notify Celebrity's Access Department in writing, via fax at 305-539-6666 or via e-mail at [special\\_needs@celebrity.com](mailto:special_needs@celebrity.com) with the type of oxygen and quantity of oxygen coming onboard either by the guest or the outside vendor. Consult your travel agent for details.

### Pregnancy

Celebrity welcomes guests who are pregnant but will not accept guests who have entered their third trimester (27th week) of pregnancy by the beginning of, or at any time during, their cruise vacation.

### Onboard Physicians

Each Celebrity vessel is equipped with a medical facility. At least one licensed physician and two nurses are normally in attendance. Limited medical services and medications are available for a fee. The types of medications kept onboard are limited and guests must bring an adequate supply of any specific medications they need. The medical facility is not intended or designed to serve as a clinic for guests and Celebrity is not responsible for the diagnosis, treatment or services furnished by shipboard medical personnel, who are independent contractors. For further assistance, please contact Celebrity's Access Department at 800-722-5472, ext. 34492 with any questions.

### Passage Ticket Contract

The transportation of guests and baggage on Celebrity ships is governed by the terms and conditions of the Cruise/Cruisetour Ticket Contract included as part of the cruise documentation. The Cruise/Cruisetour Ticket Contract limits your rights. Among other things, the Cruise/Cruisetour Ticket Contract sets forth limitations

on the time frames in which claims may be made and suits may be filed against Celebrity.

It is important that you carefully read all of the terms and conditions of the Cruise Ticket Contract, paying particular attention to Sections 11 and 12.

NOTE: A Cruise Ticket contract must be signed by each guest prior to boarding. (Copies are available upon request and are also available online at [celebritycruises.com](http://celebritycruises.com).)

The terms and conditions set forth in this brochure shall also apply. Any and all information contained in this brochure, including prices and terms and conditions, is subject to change at any time without notice. In the event of any conflict between (on the one hand) the terms and conditions of this brochure, any advertisements or offers related to a Celebrity cruise, or any oral or written representation of any Celebrity representative and (on the other hand) the Cruise Ticket Contract, the terms of the Cruise Ticket Contract shall govern.

**Personal Property/Valuables**

Under no circumstances may dangerous articles, such as controlled substances, firearms, explosives, or cylinders containing compressed air or combustible substances, etc., be contained in any baggage or brought by any person onboard or on a cruisetour. Celebrity and Royal Celebrity Tours reserve the right to refuse to permit any guest to take onboard any items Celebrity or Royal Celebrity Tours deems inappropriate. No animals are permitted onboard (with the exception of service animals for guests with special needs).

Property lost or damaged should be reported to either the Guest Relations Desk or a designated Celebrity employee prior to leaving the U.S. Customs area. In any event, property lost or damaged must be reported within the time limitations and in accordance with the procedures set forth in the Cruise/Cruisetour Ticket Contract. In the absence of negligence on its part, neither Celebrity nor Royal Celebrity Tours is responsible for any loss, theft, pilferage and/or damage to a guest's property, which

includes items such as money, travel currency, jewelry of any kind, photographic/electronic equipment or other personal property. Celebrity's and Royal Celebrity Tours' liability for loss or damage to property shall be limited to \$300 USD per guest and otherwise in accordance with the provisions in the Cruise Ticket Contract. Safes are available in every stateroom. Please refer to the Cruise Ticket Contract for further information. The CruiseCare® Vacation Protection Plan offers personal property protection. Consult your travel agent for details.

**Refusal of Booking Request or Passage**

We are delighted to have provided a safe and enjoyable cruise to millions of guests over the years. To facilitate our ability to continue to provide safe and enjoyable cruises to our guests, we reserve the right to refuse to accept a booking request from an individual or group and reserve the right to cancel an existing reservation. For more details, see our Refusal to Transport Policy and Guest Conduct Policy, both of which are available online at [celebritycruises.com](http://celebritycruises.com). The Refusal to Transport Policy provides, among other things, that a booking request may be denied, for example, where the guest's conduct on a prior cruise has resulted in disciplinary measures by Celebrity Cruises, Royal Caribbean International® or any other affiliated cruise line.

Celebrity is not liable for its refusal to transport any passenger or for its removal of any guest in accordance with these policies. In addition, Celebrity shall not be required to refund any amount paid by any guest who must leave the cruise vacation prematurely pursuant to either policy, nor shall Celebrity be responsible for lodging, meals, return transportation or other expenses incurred by the guest or for any consequential or punitive damages.

Any dispute between a guest and Celebrity in connection with a guest's cruise booking or cruise shall be litigated, if at all, in and before a court located in Miami, Florida, U.S.A., to the exclusion of the courts of any other state, territory or country.

**Shore Excursions**

Celebrity makes arrangements for transportation, lodging and/or excursions and tours, other than ocean passage, only as a booking agent. Celebrity's responsibility does not extend beyond the ship. In arranging for the transportation of guests to and from the ship, for lodging and/or excursions and/or tours, Celebrity does so with independent contractors. Celebrity is not responsible for incidents such as cancellations, re-routings, delays, accidents, injuries or losses sustained while guests are ashore, whether on organized excursions or otherwise. Please see separate shore excursion brochure for details and contractual conditions.

**Deposits/Cancellations and Refunds for Excursions**

Our deposit and refund policies for shore excursions or optional land excursions vary. Please consult your travel agent for details.

**Unaccompanied Minors**

Guests under the age of 21 must be booked in a stateroom with an adult who is 21 years or older. A parent or legal guardian must accompany guests under the age of 18 and must be booked in the same stateroom. Acceptable proof may be required. These age restrictions will be waived for minor children sailing with their parents or guardians in adjacent staterooms.

**Information Subject to Change**

Celebrity Cruises' itineraries, pricing, policies and procedures are constantly evolving. Celebrity has strived to ensure that all information listed in this brochure was correct at the time of printing. However, any information contained herein is subject to change without notice, and Celebrity reserves the right to refuse to honor any prices that were erroneously printed or quoted.
