Celebrity's Caribbean

Celebrity's Caribbean

Paradise found.

The Caribbean is our backyard, a place for which we have a deep affection. We've come to appreciate each island and each stretch of spectacular coastline. And we can't wait to introduce you to every nuance. A Celebrity cruise to the Caribbean is more than a mere vacation from the ordinary, it is an entrée into an extraordinarily complex tapestry of sensations — from bird watching in Bonaire and snorkeling in the underwater worlds of wonder off Grand Cayman, to observing the eclectic cultural mixes of places like St. Kitts and inhaling fragrant blossoms along the hillsides of Grenada. Add the most amazing beaches in the world, and you have an undeniable paradise.

The Natural Choice for a Vacation

The Caribbean may be one of the world's most pristine environments. Beaches with sand the consistency and color of fine sugar can stretch for miles in Barbados. The tropical rainforests of Costa Rica are home to

monkeys playfully frolicking in the trees and a chorus of birds in a myriad of vibrant shades. In the stunning sapphire water that surrounds each island you'll find a wealth of wildlife — dolphins perform in the

waters, while beneath the surface a kaleidoscope of vivid blue tang and angelfish dart in and out of vibrant coral reefs in places like Tortola and Aruba.

Caribbean Pleasures

While the sun swept beaches of the Caribbean will seduce you, it's what you find inland that will provide one unexpected surprise after another. Venture along the well-marked trails leading out from Roseau and Labadee® and in just a few moments find yourself amidst the beauty of a tropical rainforest. Follow in the footsteps of marauding pirates and dig up your own treasures in the bazaars of St. Thomas or St. Maarten. Or browse through a Dominican gallery to uncover a masterpiece you'll never forget created by an artist no one has ever heard of. Each Celebrity cruise to

the Caribbean is accompanied by guides with extensive local knowledge who can help you unlock all the islands' secrets.

Caribbean

A Caribbean vacation with Celebrity Cruises® is more than a chance to see the islands, we'll take time to absorb each port's rich history and to appreciate the beauty around us. And at each stop along the way, you'll have ample opportunity to take advantage of shore excursions that will take you beyond the beach — either out into the water for snorkeling or boating adventures or into each island's interior.

And countless natural wonders like simmering volcanic vents, lush rainforests, and vast underground caves await. And of course, there is the energy and friendliness of your local guides as well as the rest of the people you encounter along the way, an affability you'll have no trouble discovering.

EXPERIENCES OF A LIFETIME

.....
We suggest booking your shore excursions early. To view all shore excursion offerings and pricing, visit celebritycruises.com/shoreex.

Basseterre, St. Kitts

With a town square fashioned after London's Piccadilly Circus, St. Kitts blends the gentrified feel of a European capital with island ease. For centuries, the island was well known as one of the region's largest producers of sugarcane.

SHORE EXCURSIONS INCLUDE: *St. Kitts Scenic Railway Tour*

Bridgetown, Barbados

While the surroundings and weather are unmistakably Caribbean, the ambiance is decidedly British. High tea is still served nearly everywhere, examples of Victorian architecture can be found throughout the city, cricket is a national obsession, and even the drivers observe the traditional left-side-of-the-road traffic rules.

SHORE EXCURSIONS INCLUDE: *Beautiful Barbados & Colonial Plantation House, Barbados Catamaran Sail & Snorkel*

Cape Liberty, New Jersey

This cruise port, the first to be built in New Jersey in 40 years, provides the perfect setting to the beginning or end of any voyage. From the vantage point of the deck, you can look out over the Verrazano-Narrows Bridge, the Statue of Liberty, New York Harbor, and all of lower Manhattan.

Ports of Call

Cartagena, Colombia

The old city of Cartagena projects the feel of a picture-perfect, Spanish colonial village with cathedrals like Iglesia de Santo Domingo that dominate the skyline. Las Bóvedas, the old military dungeons, have been converted to shops, and the string of fortresses provides the perfect vantage points from which to enjoy the harbor.

SHORE EXCURSIONS INCLUDE: *Deluxe Cartagena & Fortress, Old City Walking Tour*

Casa de Campo, Dominican Republic

Casa de Campo gracefully unites Old World and New, with centuries-old cobblestone streets just a short walk from some of the Caribbean's most modern golf facilities. The indisputable beauty of the island is brilliantly captured by the residents of Altos de Chavón, a local artists colony.

SHORE EXCURSIONS INCLUDE: *Water Eco Adventure, Countryside Tour*

Castries, St. Lucia

Owing to its somewhat checkered past, St. Lucia boasts both French and British influences. Its famous twin peaks are among the most startling geological formations in the world, while the island's easily accessible and expansive coral reefs make it a preferred destination for snorkelers.

SHORE EXCURSIONS INCLUDE: *Coastal Cruise to the Pitons, Snorkeling Delight*

Charlotte Amalie, St. Thomas, U.S.V.I.

If you've held off taking advantage of the Caribbean's duty-free shopping through this point of your vacation, your patience has been rewarded. Charlotte Amalie is filled with shopping opportunities for everything from Swiss watches and island rum to locally made coral sculptures. If you're in the market for a bit of local history, visit Blackbeard's Castle in downtown Charlotte Amalie.

SHORE EXCURSIONS INCLUDE: *Best of St. Thomas*

Colón, Panama

If you were to make a list of true historic and engineering milestones, the Panama Canal would surely be one of them. A trip to Colón delivers you to the mouth of the canal on its eastern end. It also provided a glimpse of the world's largest man-made lake, lying just beyond the Gatún Locks.

SHORE EXCURSIONS INCLUDE: *Grand Tour of Panama, Panama Canal Locks*

Cozumel, Mexico

Cozumel bills itself as having a Mexican heart and a Caribbean soul. Located 12 miles east of the Yucatán Peninsula, its coral reefs make it an underwater sanctuary for hundreds of exotic fish species, while the lush vegetation inland makes it a haven for a range of tropical bird species.

SHORE EXCURSIONS INCLUDE: *Tulum Mayan Ruins Express*

Ports of Call

Cristobal Pier, Panama

One of the most popular ports of call found on our Panama itineraries, Cristobal is the perfect jumping off point for the cities of Colón and Panama City. It's a popular stepping-off point for travelers wishing to explore the many sights and attractions in the interior of Panama and along the coast.

Fort Lauderdale, Florida

Those who think Fort Lauderdale stands in the shadow of Miami are in for a very pleasant surprise. The city has matured into a gracious destination with sophisticated cuisine, nightclubs, and a personality all its own. The restaurants and shopping along Las Olas Boulevard and Himmarshee alone offer proof that Fort Lauderdale has blossomed into something truly special, all while retaining its youthful spirit.

SHORE EXCURSIONS INCLUDE: *Everglades Airboat Ride (offered on day of disembarkation)*

George Town, Grand Cayman

Once a hideout for some of the most notorious pirates in history, Grand Cayman is now host to visitors eager to peer into the almost extraterrestrial world of Stingray City. National Geographic named swimming among the rays as one of the most rewarding experiences in the undersea world.

SHORE EXCURSIONS INCLUDE: *Stingray City Adventure, Nautilus Undersea Tour & Reef Snorkel, Seaworld Explorer Glass-Bottom Boat*

Key West, Florida

Key West offers a perspective on life that differs from that found anywhere else in the U.S. Home to Ernest Hemingway and rum-runners, it's now the site of a ritual enjoyed by natives and visitors alike — the nightly gathering on Mallory Docks to pay homage to the most glorious sunset you may ever experience.

SHORE EXCURSIONS INCLUDE: *Key West Homes & Gardens Tour, Boat & Kayak Eco Adventure*

King's Wharf, Bermuda

Perched on the tip of Bermuda's West End, King's Wharf is home to an impressive Royal Navy Dockyard and a crafts market, where local artists display their wares. Nearby, Somerset Village boasts the world's smallest drawbridge, opening a mere 22 inches — just wide enough to accommodate a sailboat's mast.

SHORE EXCURSIONS INCLUDE: *Scenic Southern Shore by Taxi, Champagne Carriage Ride for 2*

Kralendijk, Bonaire

Translated from Dutch, the language of the original European settlers, Kralendijk means "coral reef," a tribute to the expansive and dazzling underwater eco-system that surrounds the entire island, which has been designated a National Marine Park. The name Bonaire, French for "good air," hints at the prime habitat for bird watching. Keep your eyes peeled for 200 species of birds, including the pink flamingo.

Labadee®, Haiti

Haiti is a mountainous island, blanketed in tropical foliage and exotic vegetation accented with both French and Creole. While the island may serve as a picturesque playground for water-lovers, it's also easy to find places that make you feel as if this were your own private natural kingdom.

SHORE EXCURSIONS INCLUDE: *SeaTrek Parasail, SeaTrek Waverunner Experience*

Miami, Florida

The beauty of South Beach's art deco architecture and sparkling beaches are set against a rich backdrop provided by the Latin flavor of the Cuban émigré community. Come nightfall Miami doesn't merely go out, it enthusiastically celebrates the onset of every evening with a passion that you'll find contagious.

SHORE EXCURSIONS INCLUDE: *Everglades Safari Tour (offered on day of disembarkation)*

Montego Bay, Jamaica

Take a walk up into the tropical hillsides overlooking Montego Bay and you can feel the port city's energy rise to meet you. Players sit relaxed along sidewalks playing dominos, and thriving shopping arcades pulse with activity. No stop here would be complete without a visit to the world-famous Doctor's Cave Beach, which is fed by mineral springs.

SHORE EXCURSIONS INCLUDE: *Jungle River Tubing, Appleton Estate Rum Tour, Essence of Montego Highlights*

Nassau, Bahamas

Long after you return home, you'll continue to hear the sweet reverberations of Bahamian steel drums, their carefree melodies transporting you to a place where you're perpetually on vacation. They'll provide a constant and pleasant reminder of the sophisticated dining and shopping, as well as the shallow warm waters gently lapping at your feet.

SHORE EXCURSIONS INCLUDE: *Nassau & Paradise Island Tour, Stingray Snorkeling & Beach Break, Glass-Bottom-Boat Tour*

Ocho Rios, Jamaica

Many visitors to Ocho Rios enjoy a hike up Dunn's River Falls, with only the seductive rhythms of island reggae and knowledgeable guides accompanying you. On the way you'll pass through a series of limestone steps hidden beneath the rushing water, stopping along the way for an occasional dip in one of the falls' clear, terraced pools.

SHORE EXCURSIONS INCLUDE: *Ocho Rios Highlights & Dunn's River Falls, The Best of Ocho Rios, Bob Marley Bus Tour*

Oranjestad, Aruba

While the Dutch originally settled this island paradise, the remnants of what they brought along are flavored with the essence of the Caribbean, an intermingling that extends to everything from the cuisine to the architecture. Don't miss the charming boutiques and tropical gardens, which illustrate this European influence.

SHORE EXCURSIONS INCLUDE: *Sailing & Snorkeling Tour, Aruba Sea & See Island Tour*

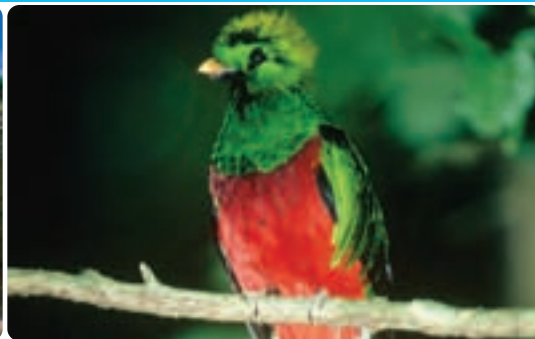

Ports of Call

Philipsburg, St. Maarten

St. Maarten has two sides — a French and a Dutch — and countless faces. You can stroll along the magnificent beaches for hours, spend just as long browsing through the endless French boutiques and duty-free shops, or visit sights like the cliffs and caves of Cupecoy Beach. This is an island that truly offers something for everyone.

SHORE EXCURSIONS INCLUDE: *St. Maarten Island Tour, St. Maarten Mountain Bike Adventure*

Puerto Limón, Costa Rica

Columbus discovered Puerto Limón during his fourth, and final, voyage to the New World, saving the best for last. Trams will transport you over the rainforest canopy where you can search for fleeting glimpses of emerald heliconid butterflies, poison dart frogs in vibrant colors, and the flamboyant crimson and green quetzal, Central America's most colorful bird.

SHORE EXCURSIONS INCLUDE: *Full Day to San José, Costa Rica Off-Road Adventure, Banana Plantation & Coastal Highlights*

Roseau, Dominica

Access the largely untouched interior of Dominica via an extensive network of nature and hiking trails, which will take you on an odyssey through the lush landscape past waterfalls, clear-running streams, and bubbling hot springs. If you'd prefer swimming to hiking, try the world-class scuba diving.

SHORE EXCURSIONS INCLUDE: *Dominica Favorites, Rainforest Adventures*

San Juan, Puerto Rico

While San Juan is a vibrant, modern port city, it also has one foot anchored proudly in the past, dating back to its time as a Spanish colonial outpost. Many of the old structures, including forts and cathedrals, date back to the early 16th century and the conquest by Juan Ponce de León in 1508.

SHORE EXCURSIONS INCLUDE: *Old and New San Juan City Tour*

St. George's, Grenada

The seductive breezes that gently caress this island do more than cool down Grenada's sultry afternoons. They carry a bouquet of fragrances — from the island's many spice plantations, its sugarcane fields, and its rum distilleries — enveloping the landscape in a distinctive perfume.

SHORE EXCURSIONS INCLUDE: *Full-Day Sightseeing with Lunch, Whale and Dolphin Spotting*

Tortola, British Virgin Islands

Besides being one of the most scenic islands in the Caribbean, Tortola offers a decidedly cultural and historical side. Visitors who can pry themselves away from its picture-perfect beaches frequently visit the Virgin Islands Folk Museum, where they find an extensive collection of the island's ancient plantation artifacts.

SHORE EXCURSIONS INCLUDE: *Tortola Highlights, Town & Country Drive, Norman Island Snorkeling*

Willemsstad, Curaçao

A drive over the fabled Queen Juliana Bridge, 185 feet above the turquoise waters of the Caribbean, presents one of the most breathtaking views of this former Dutch colony. The island's abundance of forts belies its warm, welcoming nature, which you'll discover on a trip to the Old Market. There, you can mingle with the local shoppers and fishmongers, and even enjoy some fresh grilled grouper or snapper.

SHORE EXCURSIONS INCLUDE: *Curaçao Snorkeling Tour*
