## A Celebrity Xpeditions Overview

Experience the most untouched areas of the world with just the right touch of pampering.

365 days of the year, we take you to wonderfully remote corners of the globe and provide you with wonderfully rare opportunities in a way no one else can. We call our voyages Celebrity Xpeditions. And in the spirit of Darwin and Shackleton, each one is your opportunity to discover parts of the planet and do things that precious few have before.

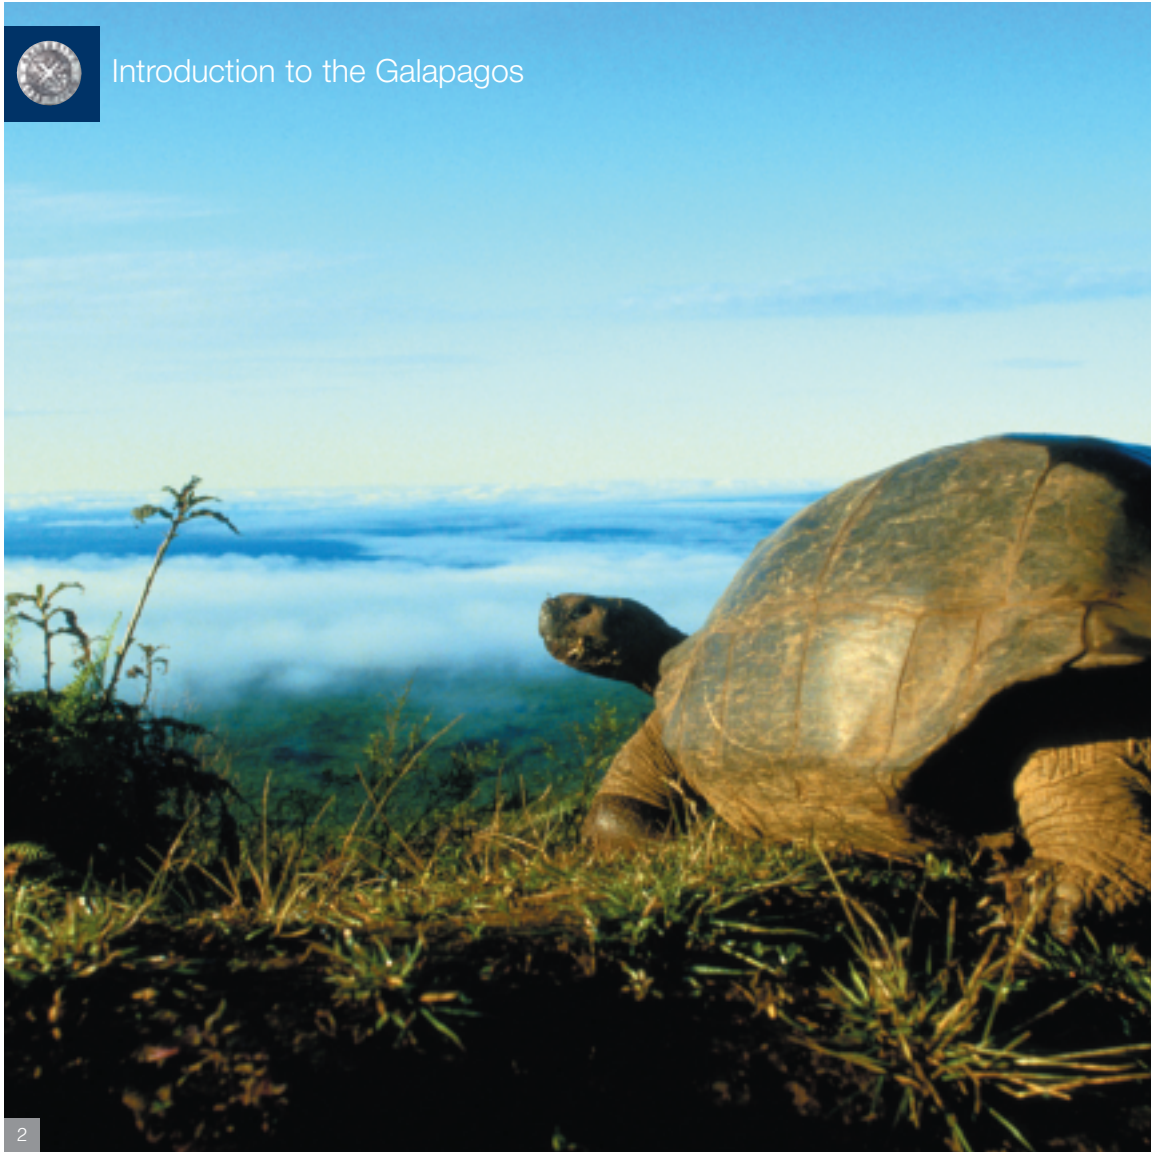

Your Celebrity Xpeditions experience is also a time for rediscovery. As in your affinity for morning mimosas, daily massages and

moonlit toasts. Along with new ways to feel relaxed, refreshed and reinvigorated on and off ship.

It's just the latest example of how far we go to treat you famously. To the ends of the earth. Or more specifically, to the Galapagos, the Arctic and the Antarctic, for starters.

So come, let us take you to a place where the unspoiled meets the spoiled. Celebrity Xpeditions.

Evolution moves at its own pace in the Galapagos.  
Make a pact to do the same.

600 miles off the western coast of Ecuador lies a group of islands so isolated that many of its creatures cannot be found anywhere else on earth. Welcome to the Galapagos, the inspiration for Charles Darwin's theory of evolution.

On his 1835 expedition, Darwin found a cluster of islands formed four to five million years ago when underwater volcanoes erupted in the Pacific Ocean. Today, these rock outcroppings, rivers of frozen lava,

and coral beaches form a varied landscape that's home to the islands' collection of rare birds and animals.

In his journal, Darwin noted, "These islands seem to be a little world within themselves – a perennial source of new things." It boggles the mind to think that the "new things" Darwin saw – the marine iguanas, flightless cormorants, and giant tortoises – are the very same species you can see today over 150 years later.

This is your opportunity to pair a blue-footed booby with a rich, red Shiraz.

Over 1,900 species of plants and animals in the Galapagos cannot be found anywhere else on the planet. So here's to experiencing flora and fauna you'll find only here, aboard the only major cruise line sailing these waters.

There's plenty to toast to and even more to do in the land that time seems to have passed by. Only Celebrity melds the wonder of wildlife with the rewards of the good life in one glorious week. Only on Celebrity Xpeditions™ can you

spend your day photographing land iguanas nibbling on prickly pear cacti, and your night noshing on Celebrity's signature gourmet dishes. Or identifying the 13 types of Darwin's finches, then locating the sweet spot between your trapezoid and deltoid with an aromatic massage.

Simply compose your sightseeing wish list and allow our naturalists to be your expert guides. Don't be surprised if the creatures you see, having lived thousands of years without fear

of predators, are as interested in you as you are in them.

Trek to the black lava rocks where sea lions sun themselves. Spy the Galapagos penguin, the only species of penguin living in the Northern Hemisphere. Or climb near the shore and get a good look at the marine iguana, the only sea-going iguana in the world.

Take a gander at the blue-footed, red-footed or masked booby, or the frigate bird and waved albatross. Or direct your eyes from the blue sky to the blue ocean. With over 300 species of fish (and 200 kinds of starfish alone), the Galapagos have earned their title as one of the world's best scuba-diving spots.

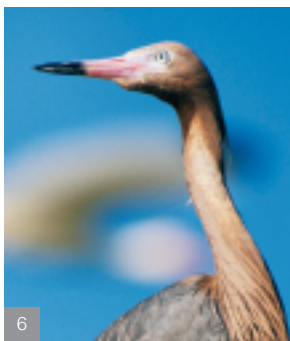

But diversity isn't limited to the land, sky and sea in the Galapagos. You'll find just as much

variety on ship. Indulge yourself with a dip in the hot tub or a visit to the sauna or salon. Mix and mingle over cocktails. Plot your moves during a friendly game of chess or immerse yourself in the plot of a good thriller from our library. Get prepped on the creatures you'll encounter by attending one of our naturalist-led lectures. Gaze up at the evening stars, breathe in the pure sea air, and feel yourself totally unwind.

In fact, you couldn't pick a better ship to sail the Galapagos. Because some would say our newest vessel, *Celebrity Xpedition*,™ is a discovery in its own right. With a mere 100 guests per sailing, a 2-to-1 crew-to-guest ratio, and elements of our signature Concierge Class service available in every stateroom, getting to the islands is almost as singular an experience as the Galapagos themselves.

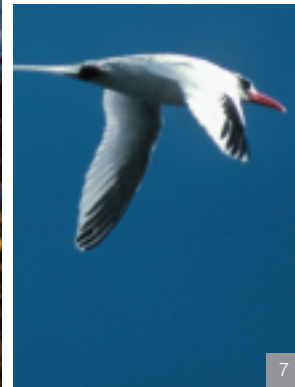

560

indigenous types of flora thrive in the Galapagos, including the mollugo and pioneer plants, and the lava cacti.

60%

of the Galapagos' birds are found nowhere else on earth.

## Your 10 or 11-Night Itinerary to the Galapagos Awaits You

Day 9	Isla Santa Maria/Floreana Island	Isla Santa Cruz/Puerto Ayora/ Charles Darwin Station/Los Gemelos
Day 10	Isla Baltra	Quito
Day 11	Transfer to Quito Airport	

**Note:** Both itineraries begin on Friday and do not include airfare to/from Quito. The 11-night package includes one additional post-cruise day in Quito.

### Isla Baltra

This island houses the main airport of the Galapagos and is where your unforgettable journey begins.

### Isla North Seymour

Off the northern tip of Baltra is this flat, low-lying island where blue-footed boobies nest, sea lions play and the largest colony of frigate birds in the Galapagos congregates.

### Isla Española

Welcome to the only place where the waved albatross nests. With rocky outcroppings, sea cliffs and a blowhole that spews water up to 75 feet in the air when the surf rushes in, Española belongs on your “don’t miss” list.

### Isla Santa Cruz (Darwin Station)

Located on Isla Santa Cruz are the headquarters of the Charles Darwin Research Station. Make time to visit the Rearing Center for giant tortoises, and learn more about island conservation and ongoing research.

### Isla Santa Cruz (Cerro Dragon)

Also known as Dragon Hill, this area is nestled on the north shore of Santa Cruz Island. Covered by mangroves, it shelters one of the few populations of land iguanas on earth.

### Isla Bartolomé

With its moon-like surface, you’ll feel like you’re in another world. Be sure to trek over the island’s lava tubes and tuff cones, and take in the views from the famed Pinnacle Rock.

### Las Bachas

This white-sand beach on the island of Santa Cruz is a major egg-laying site for Pacific green turtles, but pelicans and flamingos feel equally at home here, too.

### Isla Isabela (Caleta Tagus)

Caleta Tagus is the trail that surrounds a salt-lake crater. But it’s just one of the highlights of your visit to Isla Isabela. Others include Darwin’s finches, seabirds, and a 5,600-foot volcano.

### Isla Fernandina

In the center of this island is La Cumbre Volcano, whose recent eruption has left lava flows you can walk right over. Fernandina’s also a hot spot for endemic flightless cormorants and the largest colony of marine iguanas.

### Isla Santiago (Puerto Egas)

Follow Puerto Egas, a coastal trail on Isla Santiago, and your rewards will be many: fur sea lions, Sally Lightfoot crabs and grottos made from black lava.

### Isla Rábida

Formed from oxidized lava, Rábida’s beaches have an unmistakable red color. Adding to the color of the island is its collection of sea lions, flamingos and palo santo trees.

### Isla Santa Maria (Floreana)

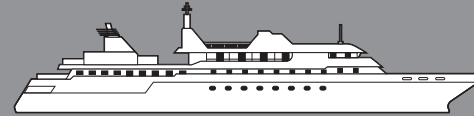

Bring your postcards with you to a special spot on this island called Post Office Bay. It’s the historical site where an 18th-century whaling crew placed the wooden barrel that tourists still use today as a post office.

### Quito

With each new vantage point better than the last, there’s no shortage of sights to see in the capital of Ecuador. Start with the Andes Mountains or the café-lined streets of New Town.

Your Ship

Sail *Celebrity Xpedition*<sup>™</sup> into unexplored waters.

At 17 knots, you'll sail our newest ship into the fabled waters of the Galapagos. As the perfect complement to the exotic, we've filled *Celebrity Xpedition* with touches of the familiar. The first being the sense of intimacy that can be achieved only aboard a ship that's smaller than most others in our fleet by the length of two tennis courts, and that sails with a mere 100 guests.

Relax with room service. Slip into complimentary stateroom extras like plush Frette<sup>™</sup> bathrobes. And revel in a host of other amenities, like our hot tub and sauna, salon and fitness room,

and our lounge featuring nightly lectures by naturalists or live music.

Add to that, this: the price of your *Celebrity Xpeditions*<sup>™</sup> Galapagos package includes almost everything on board, from afternoon tea to tips for the staff. And from house wines and most beverages to our signature dishes (roast leg of lamb or banana flambé, anyone?). Not to mention the comfort of knowing that while the Galapagos will touch you in unimaginable ways, you'll sail this itinerary on a ship specifically designed to leave them untouched.

## Decks full of delights.

7 of the 10 “World’s Greatest Ships” are Celebrity ships. So says *Condé Nast Traveler’s* 2004 annual Readers’ Poll. We’re confident that you will feel *Celebrity Xpedition™* lives up to this and our many other accolades.

Here’s a deck-by-deck sneak peek. Almost everything epicurean can be found on decks three and four. The Marina Deck hosts Darwin’s Restaurant, while the Vista Deck

features the outdoor Beagle Grill, along with The Discovery Lounge and Guest Relations. The Panorama Deck lives up to its name, and it’s the place to sip umbrella drinks and enjoy the outdoor views from the Blue Finch Bar. At the top of the ship is the Sunrise Deck, and with its spa, hot tub, sauna and sunning area, you’ll find every amenity you need to feel good from your head to your toes.

Guests with special needs should be self-sufficient, and Celebrity recommends that they travel with a companion to provide any required assistance. Guests with medical concerns are advised to check with their physician before sailing. Tendering may preclude guests from going ashore at certain ports of call and the terrain may also limit guests' ability to take certain land tours.

### Smoking Policy

For the comfort of all of our guests, smoking is permitted on only the ship's outer decks and there only in designated smoking areas. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy. Smoking is not permitted on the Zodiac rafts or other transport vessels.

*Celebrity Xpedition* currently does not offer any staterooms that will accommodate wheelchairs or facilities needed by guests who are dependent on oxygen or requiring oxygen therapy.

### Onboard Physicians

Each *Celebrity* vessel is equipped with a medical facility. One licensed (under Ecuadorian law) physician is normally in attendance on board. The medical services available on board and medications kept on

board are extremely limited, and guests must bring an adequate supply of any specific medications they need. The medical facility is not intended or designed to serve as a clinic for guests and the use of those facilities (including any medications obtained therefrom) will result in a charge to the guest. We are not responsible for the diagnosis, treatment or services furnished by shipboard medical personnel, who are independent contractors. For further assistance, please contact the Special Services Department at 1-800-242-6374 with any questions.

### Pregnancy

We welcome pregnant guests but will not accept guests who have entered their third trimester (27th week) of pregnancy by the beginning of, or at any time during, their cruise vacation.

### Special Dietary Requirements

Celebrity can accommodate the following special diets on board: vegetarian, diabetic, low-fat, low-sodium and low-cholesterol. Dietary requests need to be made in writing to our Special Services Department (fax requests to 1-800-882-8292 or e-mail [celebrityspecialservices@celebrity.com](mailto:celebrityspecialservices@celebrity.com)) no later than 60 days prior to sailing.

### Insurance

Because our liability for loss or damage is limited by the Cruise Ticket Contract, we recommend that all guests check their own insurance coverage before departure. For greater peace of mind, we offer the *Celebrity Xpeditions™ CruiseCare® Vacation Protection Plan*, which offers affordable medical, travel and baggage coverage for the duration of your package vacation.

### Naturalist-Guided Tours

The *Celebrity Xpeditions Galapagos* package includes daily tours accompanied by our naturalist guides to help you make the most out of your Galapagos visit. These guides also assist in Galapagos conservation efforts and must accompany all landing parties to the Islands. The naturalists will also be on board to provide lectures and briefings about upcoming attractions.

## Onboard Purchases

*Celebrity Xpedition* operates on a "cashless" system. Validate your Signature Account with your Visa, MasterCard, NOVUS or American Express Card or sign for payment by cash or traveler's check. Then you can sign all onboard services and purchases to your account. At the end of your cruise, you'll receive a completely itemized statement. (Sorry, we cannot accept personal checks and only U.S. currency is accepted aboard *Celebrity Xpedition*. If you choose to settle your account with cash, a deposit may be required in advance.)

### Personal Property

Under no circumstances may dangerous articles, such as controlled substances, firearms, explosives or cylinders containing compressed air or combustible substances, etc., be contained in any baggage or brought by any person on board. We reserve the right to refuse to permit any guest to take on board any items we deem inappropriate. No animals are permitted on board (with the exception of service animals for guests with special needs).

Property lost or damaged should be reported to either the Guest Relations Desk or a designated IGTV employee prior to leaving the Ecuadorian Customs area on Baltra. In any event, property lost or damaged must be reported within the time limitations and in accordance with the procedures set forth in the Cruise Ticket Contract. In the absence of negligence on our part, we are not responsible for any loss, theft, pilferage and/or damage to a guest's property, which includes items such as money, travel currency, jewelry of any kind, photographic/electronic equipment or other personal property. Collectively, our liability is limited to \$300 (U.S. dollars) per guest and otherwise in accordance with the provisions in the Cruise Ticket Contract. Safes are available in every stateroom. Please refer to the Cruise Ticket Contract for further information. The *CruiseCare Vacation Protection Plan* offers personal property protection. Consult your travel agent for details.

## Refusal of Passage

Passage may be refused to any guest, and any guest's cruise may be terminated at any time, at the risk and expense of the departing guest, where, in the opinion of the ship's captain or physician, a guest is unfit for travel or a risk or danger to himself or herself or a disturbance or danger to others. Such guest may be left at any port or place at which the ship calls without any liability to *Celebrity*. *Celebrity* shall not be required to refund any amount paid by any guest who must leave the cruise prematurely for any of the reasons set forth above or otherwise, nor shall *Celebrity* be responsible for lodging, meals, return transportation or other expenses incurred by the guest.

Any dispute between a guest and *Celebrity* in connection with a guest's cruise booking or cruise shall be litigated, if at all, in and before a court located in Miami, Florida, U.S., to the exclusion of the courts of any other state, territory or country.

### Important Notice About Safety

At any given moment, there may be trouble spots in the world in terms of crime, war, terrorism or other risks. We endeavor to provide reasonable protection for your comfort and safety on board *Celebrity Xpedition*. However, we cannot guarantee freedom from all risks associated with crime, war, terrorism or other risks. Government agencies in a number of countries, such as the U.S. Department of State, regularly issue advisories and warnings to travelers regarding certain destinations.

We strongly recommend that guests and their travel agents obtain and consider such information when making travel decisions.

### Carrier Liability

Guests release IGTV and *Celebrity* from any and all claims for loss or damage to baggage or property, or for personal injuries or death, or for loss from delay, arising out of the acts, omissions or negligence of any independent contractors, such as air carriers, hotels, shore excursion providers, restaurateurs, transportation providers, medical personnel or other providers of services or facilities. Under no circumstance does IGTV's responsibility extend beyond the vessel. All arrange-

ments made for the guest with independent contractors are made solely for the convenience of the guest and are at the guest's risk. IGTV disclaims all liability for damages for emotional distress, mental suffering or psychological injury of any kind, under any circumstances, except to the extent such disclaimer is prohibited by 46U.S.C. 183c (b).

### Guest Liability

Each guest agrees to indemnify IGTV, *Celebrity* and their respective parent, affiliates and subsidiaries for all penalties, fines, charges, losses or expenses incurred or imposed upon one or more of them by virtue of any act, omission or violation of law by the guest. Each guest, or if a minor, his or her parent or legal guardian, shall be liable to and reimburse us for all damage to the ship and its furnishings and equipment, or any property of the ship, caused by the willful or negligent act or omission on the part of the guest.

We want this to be the best vacation of your life. So to make sure you have nothing to think about except having a good time, we offer *CruiseCare Vacation Protection*. *CruiseCare* protects you both before and during your cruise. **NOTE:** As a special feature, if you voluntarily cancel your cruise for a reason that is not covered by the insurance portion of *CruiseCare*, *Celebrity Cruises* will give you 75% of the normally nonrefundable cancellation charges in a future cruise credit.

### Trip Cancellation/Interruption

*CruiseCare* provides reimbursement of cancellation penalties up to your total cruise vacation cost if you must cancel your vacation due to a covered reason such as illness or injury of yourself or a family member. If you must interrupt your cruise for a covered reason, *CruiseCare* reimburses unused arrangements and one-way economy return airfare up to a maximum of your total cruise vacation cost.

If emergency air or ground transportation is necessary because of serious illness or injury, *CruiseCare* will arrange and pay the cost, up to \$25,000, to transfer you to the nearest appropriate medical facility.

### Baggage Protection

CruiseCare provides up to \$1,500 in baggage and personal property protection due to loss, theft or damage. And, if your bags are delayed for more than 24 hours, you will be reimbursed up to \$500 toward the purchase of necessary personal items.

### 24-Hour Worldwide Emergency Assistance

With CruiseCare, you have access to the services of AIG Assist, including emergency cash transfer, lost documents assistance and other medical and travel-related services.

**NOTE:** *This is just a brief summary of benefits. Other limitations, such as a pre-existing condition exclusion apply. For full terms and conditions of coverage, ask your travel agent for the Description of Coverage pamphlet or visit [celebritycruises.com](http://celebritycruises.com) under the "Prepare to Sail" section. If you have any questions concerning coverage, just call Celebrity's CruiseCare Help Line at 1-800-797-4516. This program is available only to U.S. and Canadian residents, excluding residents of Puerto Rico. The insurance coverage is underwritten by National Union Fire Insurance Company of Pittsburgh, PA, Policy No. 9500266. The plan cost may be paid at any time from deposit up to and including final payment. However, trip cancellation protection takes effect only upon payment of the CruiseCare plan cost in addition to any required cruise deposit. Payment of your cruise fare deposit without CruiseCare plan cost will not activate your coverage.*

Guests must cancel their cruise prior to departure and must file a claim with BerkelyCare, the program administrator, to be eligible for future cruise credits. Credits expire one year after issue date, are nontransferable and not applicable to holiday or inaugural sailings. Credits have no cash value and, if applied to a booking of lesser value, will not result in any difference refunded in cash. Credits may not be used for deposits, only final payment, and can be used only on the cruise brand originally booked. Only original copies of credit letters can be accepted; copies or altered letters may not be used.
